  **MOTION:** A motion was passed by James Loder and seconded by Mike Goosney to approve the Entry Level/Advanced Level Construction Electrician program and Entry Level Industrial Electrician program with CNA Corner Brook for a 5 year re-accreditation based on the accreditation report presented. Expiry date: April 12, 2022.

  James O’Neill abstained
o CNA Entry/Advanced Level Industrial Mechanic (Millwright)

MOTION: A motion was passed by James Loder and seconded by Karen Walsh to approve the Entry/Advanced Level Industrial Mechanic (Millwright) program with CNA Placentia for a 5 year re-accreditation based on the accreditation report presented. Expiry date: September 14, 2021

o Carpenters Millwrights College Entry/Advanced Level Industrial Mechanic (Millwright)

MOTION: A motion was passed by Annie Randell and seconded by Karen Rowe to approve the Entry Level/Advanced Level Industrial Mechanic (Millwright) program with Carpenters Millwrights College for a 5 year re-accreditation based on the accreditation report presented. Expiry date: October 9, 2021

o Advanced-Level Construction Electrician
At the PACB meeting held on September 22, 2016, the accreditation team recommended deferring approval of the Advanced-Level Construction Electrician program at DieTrac due to lack of evidence of students having completed program objectives. Approval to accredit the Entry-Level Construction & Industrial Electrician programs was granted.

A memo noting that DieTrac had followed up on the concern was presented to the PACB, and accreditation of the Advanced-Level Construction Electrician program was recommended.

Upon approval, DieTrac will be notified that, with their first Annual Maintenance Report due September 30, 2017, they must submit rubrics with notations for each student for all practical projects from any two courses.

MOTION: A motion was passed by James Loder and seconded by Mike Goosney to approve the Advanced-Level Construction Electrician.

Entry-Level Instrumentation and Control Technician
At the PACB meeting held on August 16, 2016, the accreditation team recommended deferring the accreditation of Seal Cove Campus’ Entry-Level Instrumentation and Control Technician program due to a finding with regard to four in-operable lab stations and printer.

After a follow-up visit to the Campus by the accreditation team on June 1, 2017, a memo was submitted to the PACB recommending approval of this program for an initial accreditation, to expire June 14, 2020.
MOTION: A motion was passed by James Loder and seconded by Mike Goosney to approve the Instrumentation and Control Technician Program for an initial accreditation based on the accreditation report presented as well as a subsequent memo. Expiry date: June 14, 2020

New Business – Director
- Report on Advisory Committee – Dean Byrne provided an overview of Advisory Committee conducted since the last Board meeting.
- Atlantic Harmonization – July 2017 there will be 10 trades harmonized.
- National Harmonization – All deliverables for phase two are on track for implementation.

Review of Action Items:
- Accreditation Letter to CNA Placentia, (Millwright program) on the team concerns before the next class starts in September on the 5 year re-accreditation.
- Instructor certificate update Post-Secondary Instructor Certificate (PSIC): The PACB will adhere to current process until a new process is in place. A letter will be issued to all training institutions by the Accreditation Program Development Specialist reminding them of the training requirement.
- A summary of labor market demand for Skilled Trades. This will be sent to board members.

As this was the final meeting for the current board, the Director and Board Chair thanked each member for being so active on this current board and also bid farewell to Gerry Shea, James Loder, Mike Lee and Annie Randell on their last term as members of the PACB.

Date and location of next meeting:
October will be the Next PACB meeting. We will try to arrange it around the announcement of the new IT system.

Meeting was adjourned at 11:00 a.m. by James Loder and seconded by James O’Neill
