December 2011

## **Preface**

This document is intended as a companion to the December 2011 Plan of Training for the **Motor Vehicle Body Repairer (Metal and Paint)** occupation. It identifies the necessary tools and equipment required by apprentices and training institutions for the completion of apprenticeships.

## **Acknowledgements**

Advisory committees, industry representatives, instructors and apprenticeship staff provided valuable input to the development of this document. Without their dedication to quality apprenticeship training, this document could not have been produced.

We offer you a sincere thank you.
