

OCCUPATIONAL
TOOLS AND EQUIPMENT LIST

PLUMBER

Government of Newfoundland Labrador
Department of Immigration, Skills and Labour
Institutional & Industrial Education Division

Preface

This document is intended as a companion to the March 2011 Plan of Training for the **PLUMBER** occupation. It identifies the necessary tools and equipment required by apprentices and training institutions for the completion of apprenticeships.

Acknowledgements

Advisory committees, industry representatives, instructors and apprenticeship staff provided valuable input to the development of this document. Without their dedication to quality apprenticeship training, this document could not have been produced.

We offer you a sincere thank you.
