

OCCUPATIONAL
TOOL AND EQUIPMENT LIST

Concrete Finisher

Government of Newfoundland Labrador
Department of Education
Institutional & Industrial Education Division

September 2009

Preface

This document is intended as a companion to the July 2009 Plan of Training for the Concrete Finisher occupation. It identifies the necessary tools and equipment required by apprentices and training institutions for the completion of apprenticeships.

Acknowledgements

Advisory committees, industry representatives, instructors and apprenticeship staff provided valuable input to the development of this document. Without their dedication to quality apprenticeship training, this document could not have been produced.

We offer you a sincere thank you.
