

**Special Measures Order
(Personal Care Homes, Long Term Care and Assisted Living Facilities)**

**Made pursuant to Section 28 of the
Public Health Protection and Promotion Act**

February 8, 2021

TO: All operators, staff, new clients and residents of personal care homes, long term care facilities and assisted living facilities that provide care and assistance to seniors in their daily living

WHEREAS:

- A. While a declaration of a public health emergency is in effect, the Chief Medical Officer of Health may do one or more of the special measures authorized under section 28 of the **Public Health Protection and Promotion Act** for the purpose of protecting the health of the population and preventing, remedying or mitigating the effects of the public health emergency;
- B. On March 18, 2020, the Minister of Health and Community Services, on the advice of the Chief Medical Officer of Health, declared:
 - (i) a public health emergency as a result of the COVID-19 pandemic;
 - (ii) the public health emergency is in effect for the entire province of Newfoundland and Labrador; and
 - (iii) the public health emergency is in effect for a period of 14 days effective immediately;
- C. The public health emergency has been extended for 14-day intervals and is currently still in effect.
- D. The Chief Medical Officer of Health, pursuant to subsection 28(2) of the **Public Health Protection and Promotion Act**, may provide notice in any manner that can reasonably be expected to give actual notice;
- E. The Chief Medical Officer of Health, pursuant to section 28 of the **Public Health Protection and Promotion Act**, made Special Measures Orders (Restatement of Amendment No. 10) effective September 10, 2020;
- F. The Chief Medical Officer of Health believes that special measures continue to be necessary for the purpose of protecting the health of the population and preventing, remedying or mitigating the effects of the public health emergency; and

- G. The Chief Medical Officer of Health believes, in accordance with section 13 of the **Public Health Protection and Promotion Act**, that the restrictions set out in this Special Measures Order (Personal Care Homes, Long Term Care and Assisted Living Facilities) are the least intrusive measures reasonably required in the circumstances to respond to the public health emergency,

Pursuant to section 28 of the **Public Health Protection and Promotion Act**, I, Dr. Janice Fitzgerald, Chief Medical Officer of Health **HEREBY ORDER:**

1. Notwithstanding Special Measures Order (Restatement of Amendment No. 10) effective September 10, 2020, personal care homes, long term care facilities and assisted living facilities in the Metro St. John's area must:
 - a. Suspend group activities;
 - b. Suspend activities for residents outside of the home or facility;
 - c. Limit visitation to 2 designated people per resident;
 - d. Ensure residents who are admitted from the community undergo screening, testing and isolation prior to admission to the home or facility;
 - e. Ensure that staff are only shared between other homes or facilities in urgent situations where direct care of residents will be adversely affected; and
 - f. Monitor residents daily for signs and symptoms of COVID-19.
2. For the purpose of this order, the Metro St. John's area means St. John's, Mount Pearl, Paradise, Conception Bay South and those towns and communities east of Conception Bay South, and Witless Bay and those towns and communities north of Witless Bay.

IT IS FURTHER ORDERED THAT:

1. This Order is effective immediately and applies to all operators, staff, new clients and residents of personal care homes, long term care facilities and assisted living facilities that provide care and assistance to seniors in their daily living, in the metro St. John's area.
2. All other Special Measures Orders remain in full force and effect.

TAKE NOTICE THAT:

1. Failure to comply with this order may result in an application to the Supreme Court, in accordance with section 42 of the **Public Health Protection and Promotion Act** to enforce the relevant provisions of this Order.

2. A person who is subject to an order made by the Chief Medical Officer of Health may request that the Chief Medical Officer of Health reconsider the order by filing a written request for reconsideration within 7 days after the day on which the order is served on a person. A written request for review or reconsideration of this order shall include:

- (i) the reasons for the request;
- (ii) a summary of the facts relevant to the request;
- (iii) whether the order should be revoked or how it should be varied; and
- (iv) the contact information of the person making the request and shall be sent to the following address:

The Chief Medical Officer of Health
Department of Health and Community Services
PO Box 8700
St. John's, NL A1B 4J6

- 3. The Chief Medical Officer of Health shall review this Order no less than once every 5 days while the Order is in effect.
- 4. This Order remains in effect during any review or reconsideration.
- 5. Failure to comply with this Order is an offence for which you may be liable on summary conviction in accordance with section 56 of the **Public Health Protection and Promotion Act**.
- 6. For greater certainty, compliance with this Order is required in addition to and not in substitution for any requirement imposed by or under any applicable law.

Signed at St. John's, Newfoundland and Labrador, this 8th day of February, 2021.

Dr. Janice Fitzgerald
Chief Medical Officer of Health
