

Special Measures Order (Proof of Vaccination Status – Updated)

Made pursuant to Section 28 of the Public Health Protection and Promotion Act

October 22, 2021

TO: All individuals, businesses and organizations operating in Newfoundland and Labrador

WHEREAS:

- A. While a declaration of a public health emergency is in effect, the Chief Medical Officer of Health may do one or more of the special measures authorized under section 28 of the **Public Health Protection and Promotion Act** for the purpose of protecting the health of the population and preventing, remedying or mitigating the effects of the public health emergency;
- B. On March 18, 2020, the Minister of Health and Community Services, on the advice of the Chief Medical Officer of Health, declared:
 - (i) a public health emergency as a result of the COVID-19 pandemic;
 - (ii) the public health emergency is in effect for the entire province of Newfoundland and Labrador; and
 - (iii) the public health emergency is in effect for a period of 14 days effective immediately;
- C. The public health emergency has been extended for 14-day intervals and is currently still in effect.
- D. The Chief Medical Officer of Health, pursuant to subsection 28(2) of the **Public Health Protection and Promotion Act**, may provide notice in any manner that can reasonably be expected to give actual notice;
- E. The Chief Medical Officer of Health, pursuant to section 28 of the **Public Health Protection and Promotion Act**, made Special Measures Order (Proof of Vaccination Status) signed October 7, 2021 and effective October 22, 2021;
- F. The Chief Medical Officer of Health believes that clarification of Special Measures Order (Proof of Vaccination Status) signed October 7, 2021 and effective October 22, 2021 is necessary for the purpose of protecting the health of the population

and preventing, remedying or mitigating the effects of the public health emergency;
and

- G.** The Chief Medical Officer of Health believes, in accordance with section 13 of the **Public Health Protection and Promotion Act**, that the restrictions set out in this Special Measures Order (Proof of Vaccination Status - Updated) are the least intrusive measures reasonably required in the circumstances to respond to the public health emergency,
