COVID-19 Vaccinations

Please be advised that effective June 7th, 2021, COVID-19 vaccination records administered in Newfoundland and Labrador will be available in HEALTHe NL. COVID-19 vaccinations can be found under the '**Immunizations**' tab of the patient record in HEALTHe NL. Please reference this information prior to administering a COVID-19 vaccination. This information will verify:

The **Date** a previous COVID-19 vaccination was given

The **Type** of COVID-19 vaccination given

The **Antigen/Immunoglobulin**

The **Source** of the immunization information (i.e., Pharmacy, EMR, or Meditech)

For more details on accessing a patient's immunization record in HEALTHe NL, please review the [Quick Reference Guide - HEALTHe NL Immunizations Tab](#).

If you have any questions, please contact the HEALTHe NL Program at HEALTHeNLProgram@nlchi.nl.ca.
