Electrical Bulletin

Information for Electrical Contractors

Information contained in this bulletin does not negate the responsibility of Electrical Contractors, and others, to comply with the requirements of the Canadian Electrical Code, the Public Safety Act, the Electrical Regulations and the supply authority.

Under the provisions of the Public Safety Act and the Electrical Regulations, the Canadian Electrical Code Part 1, 2021 (25th Edition) will come into effect July 1, 2021.

These requirements will apply to all electrical work for permits issued on or after this date.

All electrical contractors, consultants, designers and installers are encouraged to obtain the new 2021 Canadian Electrical Code (25th Edition), before the above commencement date.
