Primary Clients:

The Advisory Council on Occupational Health and Safety is focused on improving the health and safety of all workers and workplaces in this Province. The clients of the Advisory Council on Occupational Health and Safety include: employers, employees, the Occupational Health and Safety Branch of Service NL, the Workplace Health, Safety and Compensation Commission (WHSCC) and the public at large

Values:

The Advisory Council on Occupational Health and Safety is focused on improving the health and safety of all workers and workplaces in this province. In achieving its vision, Council has chosen to adopt the values of Service NL and will communicate these values to its stakeholders through the following action statements:

Integrity: Each individual engages in ethical behaviour and exercises the proper use of authority and responsibility.

Collaboration: Each individual supports others through communication and consultation with coworkers, industry partners and the public.

Accountability: Each individual accepts responsibility for their actions and is responsive to meeting public needs and delivering on Departmental commitments in a timely, efficient and satisfactory manner.

Respect: Each individual accepts differences, embraces diversity and exercises a caring attitude in their encounters with others.

Excellence: Each individual demonstrates excellence in providing service to the public.

Highlights and Accomplishments

For the fiscal year 2011-2012, the Advisory Council had discussed and focused on the following key areas.

- New safety requirements for mining, as discussed under the “Results Achieved” for the Outcome of Objective 1
- Atlantic Accord amendments incorporating an offshore Occupational Health and Safety Regime - ongoing
- Process Safety Management Code of Practice
- WHSCC Initiatives, Prevention Strategy, Training Standards, Occupational Health and Safety (OHS) Regulations Workshops
- Update on the Labrador West Dust Study and Medical Surveillance
- Auditor General’s review of the Occupational Health and Safety Inspections program and report

Outcome of Objectives:

Goal:

By March 31, 2014, the Advisory Council on Occupational Health and Safety will have advised the Minister of Service NL regarding its recommendations on occupational health and safety issues and legislation.

Objective for current reporting year:

Objective 1: By 2012, the Advisory Council will have advised the Minister of Government Services (now Service NL) on the draft Mines Safety of Worker’s Regulations.

Measure: Advised the Minister on draft Mines Safety of Worker’s Regulations.

Indicators:

- Proposed Mines Safety of Worker’s Regulations reviewed.
- Review stakeholder feedback.
- Recommendations formulated.
- Recommendations submitted to the Minister.

The following represents the outcome of objectives for the Council's activities in this fiscal year, as set out in its 2011-14 Activity Plan.

Results Achieved:

During the 2011/12 reporting period the major accomplishment of the Council was the review of the proposed amendments to the OHS Regulations as it relates to mining safety. Council was kept informed of stakeholder feedback during the consultation process, and recommended to the Minister approval of the proposed amendments, which were formulated by the Occupational Health and Safety (OHS) Division in consultation with the Department of Justice. The Council submitted a letter to the Minister in which it expressed its support for the proposed amendments and recommended they be incorporated into the OHS Regulations.

Objective for upcoming reporting year:

Objective 2: By 2013, the Advisory Council will stay abreast of large construction projects and the implications of same for enforcement, prevention and resources and submit its recommendations to the Minister.

Measure: Mechanisms to inform Minister.

Indicators:

- Meet and discuss issues a minimum of three times a year.
- Communicate with the Department of Government Services (now Service NL) and the Workplace Health, Safety and Compensation Commission.
- Stay abreast of trends, analysis and issues pertaining to occupational health and safety.

Opportunities and Challenges Ahead

- Finalizing Process Safety Management Code of Practice will provide the opportunity of safer work processes in the Petroleum Sector.
- Remain informed of the progress of the medical audit of the mining properties in Labrador West.
- Remain informed and provide feedback of activities and initiatives ongoing at the OHS Division and WHSCC.
- Provide timely feedback to Minister on current occupational health and safety regulatory concerns.
