Advisory Board**

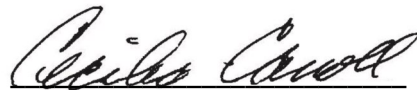

Chair's Message

Dear Minister:

I am pleased to submit this Activity Plan for the activities of the Buildings Accessibility Advisory Board (the "board") for the fiscal years 2014-17. This plan is prepared in compliance with the *Transparency and Accountability Act* pursuant to which the board has been categorized as a Category 3 government entity and which requires the board to prepare a performance-based activity plan. In developing this plan, the board has considered the strategic direction of the Minister of Service NL. The board is accountable for the preparation of this plan and for the achievement of its objectives.

The board is primarily mandated to report to and advise the Minister on the application of the *Buildings Accessibility Act* and its associated regulations, and on other matters related to the Act and its regulations that may be assigned to the board by the Minister. We look forward to fulfilling this mandate throughout the 2014-17 planning period.
