- (iii) The three parcels are located offshore Newfoundland and Labrador and are described in Schedule I. Exploration Licences may be issued for each parcel.
- (iv) For the purpose of selecting a bid, the sole criterion to be used will be the total amount of money the bidder commits to expend on exploration on the respective parcel within Period I (“Work Expenditure Bid”);
- (v) A minimum bid of \$1 million will be required for each parcel in the Jeanne d’Arc Basin;
- (vi) For each parcel, the Work Expenditure Bid must be accompanied by a bank draft or certified cheque in the amount of \$10,000 (“Bid Deposit”) made payable to the Receiver General. Furthermore, the successful bidder will be required to provide, within 15 days of notification of being the successful bidder, a promissory note in the amount of 25% of the Work Expenditure Bid (“Security Deposit”). A credit against the Security Deposit will be made on the basis of 25% of allowable expenditures as described in Schedule III of the Exploration Licence (“Allowable Expenditures”);
- (vii) Each successful bidder will receive a refund, without interest, of the Bid Deposit when the Security Deposit is posted within 15 days. Failure to post the Security Deposit within 15 days will result in forfeiture of the Bid Deposit and disqualification of the bid.

Upon the announcement of the bid results, the Bid Deposits of unsuccessful bidders will be returned, without interest, as soon as possible;

- (viii) For each parcel, an Exploration Licence will be issued for a term of nine years consisting of two consecutive periods of five years (Period I) and four years (Period II). Period I may be extended to six years by posting an additional deposit of one million dollars as security for drilling a well; Period II will comprise the balance of the nine-year term.

Rentals will be payable annually, in advance, and are to be submitted by cheque payable to the Receiver General,

except for rentals applicable to an Exploration Licence continuing beyond Period II, which will be payable monthly, in advance, at the rate of one-twelfth (1/12) of the applicable annual rates.

Rentals will be refunded annually, to a maximum of 100% of the rentals paid in that year, on the basis of a dollar refund for each dollar of Allowable Expenditures for that year.

Carry forward provisions to reduce rentals otherwise payable in ensuing rental years will apply.

Rentals will apply to lands subject to a declaration of significant discovery during the term of the Exploration Licence at the rates and levels of refundability specified above;

For greater certainty, the interest owner may relinquish lands to reduce future rental payments.
 - (c) There shall be no carry forward of excess allowable expenditures from Exploration Licences.
 - (d) Rentals are to be submitted by bank draft or certified cheque payable to the Receiver General.
 - (e) For greater certainty, rentals shall be calculated on the basis of the total hectareage of lands held as part of the Significant Discovery Licence, as of the anniversary date.
 - (f) Rentals will be refunded annually, to a maximum of one hundred percent (100%) of the rentals paid in that year, on the basis of a dollar refund for each dollar of allowable expenditures for that year.
