3. (1) Where an eligible householder or his or her spouse or common law partner incurred a cost to heat his or her home during the period extending from November 1, 2006 until April 30, 2007 and applies to the department that eligible householder shall be considered to have made an overpayment of tax in the amount set out in section 4 and the minister shall refund the amount of that overpayment to that householder.

(2) An application made to the department for a refund under this section shall be in the form and contain the information required by the Minister of Finance of the province and shall be accompanied by an invoice or other document that he or she considers to be satisfactory that indicates that the purchase of electricity was made by the eligible householder or his or her spouse or common law partner.

(3) Notwithstanding subsection (2), where an eligible householder or his or her spouse or common law partner incurred a cost to heat his or her home in accordance with subsection (1) but that home is not connected to an electrical power service, the Minister of Finance of the province may accept an invoice or receipt for home heating fuel supplied to that home instead of the invoice or other document referred to in subsection (2).

5. Notwithstanding another provision of these regulations, where

(a) an eligible householder's spouse or common law partner dies before January 1, 2007, the adjusted income of the surviving eligible householder will be used to determine eligibility for the purpose of section 4; or

(b) an eligible householder's spouse or common law partner resides in a long term care facility, the adjusted income of the eligible householder shall be reduced by the amount of contributions made towards the cost of care of that spouse or common law partner for a continuous 12 month period commencing after December 31, 2004 and ending before January 1, 2007; or
