Correction Notice

(August 14, 2007)

1. Subsection 5(2) of the *Pesticides Control Regulations, 2003 (Amendment)*, Newfoundland and Labrador Regulation 49/07, published under the *Environmental Protection Act* on April 20, 2007 on page 295, is corrected by deleting the phrase "and an operator's licence referred to in section 4" that occurs in the new paragraphs 8(6)(a) and (b). The new paragraphs 8(6)(a) and (b) should read:

(6) A pesticide

- (a) designated for agricultural use and sold under paragraph (5)(a) may be applied only by a person having an applicator's licence referred to in paragraph 5(1)(a); and
- (b) designated for greenhouse use and sold under paragraph (5)(b) may be applied only by a person having an applicator's licence referred to in paragraph 5(1)(d).

2. Section 6 of the amending regulations is corrected by adding immediately after the number "5" in the new paragraphs 8.1(5)(a) and (b) the phrase "and an operator's licence referred to in section 4". The new paragraphs 8.1(5)(a) and (b) should read:

- (5) Notwithstanding subsection (2), a person may,
 - (a) where he or she holds an applicator's licence under section 5 and an operator's licence referred to in section 4, apply a pesticide not listed in Schedule A or B in a public space that is a building where that building will not be in use for 48 or more hours after the application of that pesticide;

The phrase was misplaced in the original publication.
