**LANDS ACT**  
**NOTICE OF INTENT**

**LANDS ACT, Chapter 36, S.N. 1991**

Notice is hereby given that CLARENCE STONE of Norris Point, NL intends to apply to the Department of Environment and Conservation, two months from the publication of this Notice, to acquire title, pursuant to Section 7(2) (a) of the said Act, to that piece of Crown Land situated within fifteen (15) metres of the waters of Norris Point, Bonne Bay, in the Electoral District of Humber St. Barbe for the purpose of a Craft Store and being more particularly described as follows:

*Bounded on the North by Stones Lane  
for a distance of 21 m;  
Bounded on the East by Crown Land  
for a distance of 14 m;  
Bounded on the South by Waters of Norris Point  
for a distance of 21 m;  
Bounded on the West by Crown Land  
for a distance of 9 m;  
and containing an area of  
approximately 250 square metres.*

Any person wishing to object to the application must file the objection, in writing, within one month from the publication of this notice, with reasons for it, to the Minister of Environment and Conservation, c/o Western Regional Lands Office, P. O. Box 2006, Noton Building, Corner Brook, NL A2H 6J8.

For further information on the proposed application, please contact CLARENCE STONE, Telephone (709) 458-2378.

**GEOGRAPHICAL NAMES BOARD ACT**

**NOTICE**

Under the authority of Section 6(1), of the Newfoundland and Labrador *Geographical Names Board Act*, cG-3, RSNL 1990, the Minister of the Department of Environment and Conservation, hereby approves the names of places or geographical features as recommended by the Newfoundland and Labrador Geographical Names Board and as printed in Decision List 2008-01.

DATED at St. John's this 20<sup>th</sup> day of March, 2008.

CHARLENE JOHNSON  
Minister  
Department of Environment and Conservation

**Source of Recommendation:**

This document contains a list of 998 names of places or geographical features which were discussed during the last twelve meetings of the Newfoundland and Labrador Geographical Names Board. The dates of these Board Meetings were October 28-29, 2004; January 13-14, 2005; May 26-27, 2005; October 20-21, 2005; December 1-2, 2005; April 27-28, 2006; September 14-15, 2006; November 16-17, 2006; January 25-26, 2007; May 31 - June 1, 2007; September 13-14, 2007 and December 12-14, 2007. These recommendations affect the National Topographic Series (NTS) mapsheets: Biscay Bay River (1K/14); Lamaline (1L/13); Gaultois (1M/12); St. Alban's (1N/13); Ferryland (1N/2); St. Catherine's (1N/3); Placentia (1N/4); Holyrood (1N/6); St. John's (1N/10); Sweet Bay (2C/5); Eastport (2C/12); Tug Pond (2D/1); Gambo (2D/16); Little Fogo Islands (2E/16); Quirpon (2M/11); St. Peter Bay (3D/4); Fox Harbour (3D/5); Codroy (11O/14); Facheaux Bay (11P/9); Ramea (11P/11); Burgeo (11P/12); Peter Snout (11P/13); White Bear River (11P/14); Georges Lake (12B/16); Bay of Islands (12G/1); Trout River (12G/8); Hampden (12H/10); Silver Mountain (12H/11); Gros Morne (12H/12); Main River (12H/14); Jacksons Arm (12H/15); Bellburns (12I/6); Englee (12I/9); Torrent River (12I/10); Port Saunders (12I/11); Castors River (12I/15); Roddickton (12I/16); Flower's Cove (12P/7); Big Brook (12P/9); Pinware (12P/10); Barge Bay (12P/16); Chateau Bay (13A/1); St. Lewis Inlet (13A/8); Port Hope Simpson (13A/9); (untitled) (13A/10); Jeffries Pond (13A/15); White Bear Arm (13A/16); (untitled) (13H/3); (untitled) (13H/4); (untitled) (13H/5); Paradise River (13H/6); Cartwright (13H/11) and Saglek Bight (14L/10).

These names were the result of several independent field surveys from members of the general public over the past six years.

In an attempt to assist the Department of Transportation and Works to collect names along the Trans Labrador Highway, the Department of Environment and Conservation also conducted another field survey from Red Bay to Cartwright. This survey was conducted in the fall of 2005. The efforts of the data collectors and informants are gratefully acknowledged.

In the fall of 2007 the Canadian Coast Guard notified the Newfoundland and Labrador Geographical Names Board that there were some feature name inaccuracies on some of the hydrographic charts in the Bay of Islands region of the province. Search and rescue efforts were delayed when confusion arose over the discrepancy between locally used geographical feature names and those used on the hydrographic charts by search and rescue personnel. These former names have now been changed to reflect those in long standing local usage.

Geographical Names Decision List
