## NEWFOUNDLAND AND LABRADOR REGULATION 105/10

*Architects Regulations*  
under the  
*Architects Act, 2008*

*(Filed November 30, 2010)*

Under the authority of section 32 of the *Architects Act, 2008*, the Architects Licensing Board, with the approval of the Minister of Government Services, makes the following regulations.

Dated at St. John's, November 23, 2010.

Paul Blackwood  
Chairperson  
Architects Licensing Board

Harry Harding  
Minister of Government Services

### REGULATIONS

#### *Analysis*

1. Short title
2. Definition
3. Licence to practise
4. Conditions for obtaining a licence
5. Grant of title: "architect"
6. Seal or stamp
7. Filing of an allegation
8. Appointment of an adjudication tribunal
9. Adjudication tribunal hearing date
10. Decision of the adjudication tribunal

Short title	<b>1.</b> These regulations may be cited as the <i>Architects Regulations</i> .
Definition	<b>2.</b> In these regulations  (a) "Act" means the <i>Architects Act, 2008</i> ;  (b) "board" means the Architects Licensing Board established under the Act; and  (c) "responsible control" means the degree of control over and detailed knowledge of the content of technical submissions during their preparation that is ordinarily exercised by architects applying the required professional standard of care but does not include reviewing, or reviewing and correcting, technical submissions after they have been prepared by others.
Licence to practise	<b>3.</b> (1) An architect shall obtain insurance coverage from an insurance corporation licensed to carry on business in the province, against errors and omissions arising out of the performance or non-performance of architectural services under a professional liability policy with a liability limit of not less than \$250,000 a claim and aggregate total of \$500,000 in a year.  (2) The insurance policy shall contain a requirement to notify the board immediately upon cancellation or expiration of the policy.  (3) In the case of architectural services provided by a firm, partnership or corporation, an insurance policy shall name both the architect and the firm, partnership or corporation as separate insureds or there shall be separate policies for each of them.
Conditions for obtaining a licence	<b>4.</b> (1) As a precondition to being licensed to practise architecture every applicant shall  (a) submit an application in the form provided by the board;  (b) submit to the board payment of a non-refundable application fee, and a licence fee and a stamp fee refundable where a licence or stamp is not granted, in an amount set by the board;

- (c) submit to the association payment of fees for full membership, in an amount set by the association, refundable where a licence is not granted;
- (d) not be the subject of a disciplinary hearing for possible infraction of an Act or regulation governing architectural services in a jurisdiction recognized by the board;
- (e) submit an undertaking to become knowledgeable of provincial laws and regulations pertaining to building design and construction before providing architectural services;
- (f) submit an undertaking that he or she has adhered to the Act, regulations, by-laws, and code of ethics and will continue to do so;
- (g) submit evidence satisfactory to the board that the individual is of good character, where requested by the board;
- (h) submit evidence of liability insurance as prescribed by these regulations; and
- (i) make himself or herself available for an interview, where requested by the board.

(2) As a precondition to being licensed, every applicant for a licence to practise architecture, who has never held a licence to practise architecture in the province or another jurisdiction recognized by the board, shall also

- (a) submit evidence satisfactory to the board that the individual holds a Certificate of Certification issued by the Canadian Architectural Certification Board or has completed other education as the board considers equivalent;
- (b) submit evidence of having completed a minimum of 5,600 hours of work experience that meets the requirements of the Intern Architect Program published by the board; and
- (c) successfully complete one of the following:
  - (i) the examination for architects in Canada published by the association, or

(ii) the architect registration examination of the National Council of Architectural Registration Boards.

(3) As a precondition to being licensed, every applicant for a licence to practise architecture who is currently licensed to practise architecture in another jurisdiction recognized by the board shall also

- (a) submit evidence satisfactory to the board that the individual currently holds a licence to practise architecture in another jurisdiction recognized by the board; and
- (b) submit evidence satisfactory to the board that the individual is in good standing with each licensing authority the individual currently holds a licence from.

(4) As a precondition to being licensed, every applicant for a licence to practise architecture who previously held a licence to practise architecture in the province or another jurisdiction recognized by the board but has not done so within the last 24 months shall undertake examinations and complete courses that may be required by the board.

(5) As a precondition to renewing a licence, every applicant shall

- (a) submit a renewal application in the form provided by the board;
- (b) submit to the board payment of a licence fee, in an amount set by the board;
- (c) submit to the association payment of a fee for full membership, in an amount set by the association;
- (d) submit evidence of having completed a cycle of continuing education that meets the requirements of the continuing education program established by the board; and
- (e) submit evidence of liability insurance as required by these regulations.

(6) The board may, where it is of the opinion that the applicant's qualifications, knowledge and experience so merit, grant an exemption

from all or part of the academic and experience requirements set out in these regulations.

(7) Where a breach of the Act, these regulations, by-laws, or code of ethics is suspected by the board during the licensing or licence renewal process, the board may suspend processing the application or deny a licence until it is satisfied that the breach has been rectified.

(8) A licence issued by the board shall expire on December 31 unless otherwise revoked by the board.

(9) Where a complete application to renew a licence is received by the board no later than November 30, the current licence shall not expire until the board has ruled on the application for renewal.

(10) The board shall attempt to process an application within 30 days of receipt of a complete application.

Grant of title:  
"architect"

**5.** (1) The board may, at the request of the association, grant the use of the title "architect" to a member of the association who does not hold a licence.

(2) The use of the title referred to in subsection (1) may be withdrawn by the board for any reason.

(3) A person who is granted the use of the title referred to in subsection (1) shall

(a) not provide architectural services or hold himself or herself out as having a licence to practise architecture; or

(b) not be entitled to hold office on the board.

Seal or stamp

**6.** (1) A seal or stamp issued by the board under the Act shall contain a space where the architect shall write in the licence expiry date each time the seal or stamp is applied.

(2) An architect shall immediately return all seals or stamps issued to the architect to the board when

(a) the architect no longer holds a licence; or

(b) as a result of a disciplinary action, the board cancels the seal or stamp.

(3) An architect shall apply his or her seal or stamp to a document that is required by authorities having jurisdiction to issue building permits or regulatory approvals.

(4) A document that is a draft document or a "work-in-progress" shall be clearly marked "draft", "work-in-progress" or with another similar term.

(5) An architect shall only seal or stamp documents where

(a) they are prepared by the architect;

(b) they are prepared by persons under the architect's responsible control;

(c) they contain limited parts of a design prepared by another architect where the sealing or stamping architect has reviewed the other architect's work and either has coordinated the preparation of the work or has integrated the work into his or her own technical submissions;

(d) they are prepared by another architect licensed in another jurisdiction recognized by the board where

(i) the sealing or stamping architect has reviewed the other architect's work and has integrated the work into his or her own document, and

(ii) the other architect's documents are prototypical building documents;

(e) the name of the architect or, in the case of architectural services being provided by a firm, partnership or corporation, its name is prominently displayed in the document and identified as the "Architectural Consultant"; and

(f) the document being sealed or stamped does not identify another party that could be misconstrued by authorities having jurisdiction or members of the public as a provider of architectural services unless the party holds a licence or the firm,

partnership or corporation retains an architect licensed to provide direct supervision of the offering and provision of architectural services as permitted by subsection 13(2) of the Act.
