Short title **1.** These regulations may be cited as the *Dental Auxiliaries' Regulations, 2012*.

Definitions **2.** In these regulations

(a) "Act" means the *Dental Act, 2008*;

(b) "dental auxiliary" means a registered dental assistant, a registered dental hygienist or a registered dental technician;

(c) "direct supervision" means a practitioner is physically present and providing the necessary direction and support within the office premises while a person is providing services permitted by these regulations;

(d) "registered dental assistant" means a person who

(i) meets the requirements of the Act and these regulations and is registered and licensed as a registered dental assistant,

- (ii) is employed directly or indirectly by a practitioner or a professional dental corporation, and
 - (iii) by direct supervision, provides dental services;
- (e) "registered dental hygienist" means a person who
- (i) meets the requirements of the Act and these regulations and is registered and licensed as a registered dental hygienist, and
 - (ii) is employed by or has a contractual arrangement
 - (A) with a practitioner or a professional dental corporation to provide dental hygiene services in a dental office, or
 - (B) as approved by the board, to provide dental hygiene services in the community; and
- (f) "registered dental technician" means a person who
- (i) meets the requirements of the Act and these regulations and is registered and licensed as a registered dental technician,
 - (ii) is engaged directly or indirectly by a practitioner, and
 - (iii) by order, aids in the delivery of dental services.

Special circumstances

3. (1) Notwithstanding section 2, the board may under special circumstances license dental therapists as dental auxiliaries to practise in the province in locations where no reasonable possibility exists for the provision of dental health services by a person licensed under the Act and these regulations, other than a dental therapist.

(2) The approval for licensing of a dental therapist as provided for in subsection (1) shall be granted by the board on a case by case basis and under the location, conditions and terms offered by the board and accepted by the dental therapist.

(3) For the purposes of subsections (1) and (2), a dental therapist shall be a graduate of a school of dental therapy approved by the board.

**PART I
REGISTRATION**

Dental auxiliary
students

4. An applicant applying to be registered as a dental auxiliary student shall

- (a) complete an application form provided by the board;
- (b) pay the fees prescribed by the board; and
- (c) provide proof of enrolment in a program acceptable to the board.

Registered dental
assistants

5. An applicant applying to be registered and licensed as a registered dental assistant shall

- (a) complete an application form provided by the board;
- (b) pay the fees prescribed by the board;
- (c) provide proof of current membership in good standing in the Newfoundland and Labrador Dental Assistants' Association;
- (d) either

(i) show

(A) proof of graduation from a dental assisting program, which is acceptable to the board and accredited by the Commission on Dental Accreditation of Canada, and

(B) evidence satisfactory to the board that the applicant holds a National Dental Assisting Examining Board Certificate or a certificate considered equivalent by the board, or

(ii) show

(A) proof of graduation from a non-accredited dental assisting program, which is approved by the board, and

- (B) evidence satisfactory to the board that the applicant holds a National Dental Assisting Examining Board Certificate and has successfully completed the clinical practice evaluation from the National Dental Assisting Examining Board;
- (e) have a working knowledge of the English language that the board considers sufficient to enable the person to practise in the province;
- (f) provide proof of holding a current CPR certificate at a level acceptable to the board;
- (g) provide proof of good standing from each jurisdiction where he or she was previously registered to practise;
- (h) provide proof of professional malpractice insurance, to be maintained throughout the licence period, of the kind and in the amount set by the board; and
- (i) comply with other requirements that the board may consider appropriate.

Registered dental
hygienists

6. An applicant applying to be registered and licensed as a registered dental hygienist shall

- (a) complete an application form provided by the board;
- (b) pay the fees prescribed by the board;
- (c) provide proof of current membership in good standing in the Newfoundland and Labrador Dental Hygienists Association;
- (d) provide proof of graduation from a school of dental hygiene accredited by the Commission on Dental Accreditation of Canada or the American Dental Association's Commission on Dental Accreditation or other program of dental hygiene that may be acceptable to the board;
- (e) have successfully completed a certification examination from the National Dental Hygiene Certification Board;

- (f) where he or she is a graduate of a non-accredited school of dental hygiene, have successfully completed a clinical examination approved by the board;
- (g) have a working knowledge of the English language that the board considers sufficient to enable the person to practise in the province;
- (h) provide proof of holding a current CPR certificate at a level acceptable to the board;
- (i) provide proof of good standing from each jurisdiction where he or she was previously registered to practise;
- (j) provide proof of professional malpractice insurance, to be maintained throughout the licence period, of the kind and in the amount set by the board; and
- (k) comply with other requirements that the board may consider appropriate.

Registered dental
technicians

7. An applicant applying to be registered and licensed as a registered dental technician shall

- (a) complete an application form provided by the board;
- (b) pay the fees prescribed by the board;
- (c) provide proof, satisfactory to the board, of practice of general dental laboratory technology, under the supervision of a registered dental technician in a laboratory recognized by the board, for a period of not less than 4 years immediately preceding the application for registration, or provide proof acceptable to the board in its discretion of an equivalent level of competence and training;
- (d) have successfully completed a high school education or equivalent; and
- (e) comply with other requirements that the board may consider appropriate.

Classification

8. Registered dental technicians who have worked for an additional 2 years after registration dealing with the terminology, design and manufacture of the enumerated specialized products may, with the approval of the board, be classified as a

- (a) prosthetic technician;
- (b) chrome-cobalt technician;
- (c) orthodontic technician;
- (d) crown and bridge technician; or
- (e) ceramic technician.

Annual remittance

9. Every registered dental assistant, registered dental hygienist and registered dental technician whose licence under the Act and these regulations is subsisting shall annually, before the date as may be determined by the board, remit to the board those fees that may be prescribed, for the purpose of maintaining a licence to practice in the province for the year then commencing.

Licence renewal -
registered dental
assistant

10. A person shall have his or her licence as a registered dental assistant renewed upon

- (a) payment of the renewal fee prescribed by the board;
- (b) proof that he or she is in good standing with the board;
- (c) proof of current membership in good standing in the Newfoundland and Labrador Dental Assistants' Association;
- (d) proof of holding a current CPR certificate at a level acceptable to the board;
- (e) proof of professional malpractice insurance, to be maintained throughout the licence period, of the kind and in the amount set by the board;
- (f) evidence satisfactory to the board of completion of continuing education requirements; and

- (g) in the case of a person whose licence has not been renewed for 3 years or who has not practised for the same period, successful completion of a professional reentry program, which includes clinical and didactic content as prescribed by the board, or successful completion of a clinical practice examination approved by the board.

Licence renewal -
registered dental
hygienist

11. A person shall have his or her licence as a registered dental hygienist renewed upon

- (a) payment of the renewal fee prescribed by the board;
- (b) proof that he or she is in good standing with the board;
- (c) proof of current membership in good standing in the Newfoundland and Labrador Dental Hygienists Association;
- (d) proof of holding a current CPR certificate at a level acceptable to the board;
- (e) proof of professional malpractice insurance, to be maintained throughout the licence period, of the kind and in the amount set by the board;
- (f) evidence satisfactory to the board of completion of continuing education requirements; and
- (g) in the case of a person whose licence has not been renewed for 2 years or who has not practised for the same period, successful completion of a professional re-entry program, which includes clinical and didactic content as prescribed by the board, or successful completion of a clinical practice examination approved by the board.

Licence renewal -
registered dental
technician

12. A person shall have his or her licence as a registered dental technician renewed upon

- (a) payment of the renewal fee prescribed by the board;
- (b) proof that he or she is in good standing with the board;
- (c) evidence satisfactory to the board of completion of continuing education requirements set by the board; and

- (d) in the case of a person whose licence has not been renewed for 3 years or who has not practised for the same period, fulfillment of requirements that may be set by the board.

PART II
SCOPE OF PRACTICE

Registered dental
assistants

13. (1) A registered dental assistant may perform, under the direct supervision of a practitioner, all the duties in accordance with the National Scope of Practice for Dental Assisting which include but are not limited to:

- (a) carrying out of the exposure, processing and mounting of dental radiographs;
- (b) taking of preliminary impressions;
- (c) selective polishing;
- (d) provision of dental health education;
- (e) dental nutritional counselling;
- (f) provision of topical application of anticariogenic agents and other materials to prevent caries;
- (g) application of pit and fissure sealants;
- (h) application and removal of dental dams;
- (i) application and removal of matrices and wedges;
- (j) taking and recording of vital signs;
- (k) application of desensitizing agents;
- (l) application of topical anaesthesia;
- (m) application of treatment liners, excluding pulpal involvement;
- (n) removal of sutures;

- (o) fabrication and insertion of bleaching trays;
- (p) removal of periodontal dressings;
- (q) taking and recording of gingival plaque indices;
- (r) acid-etch preparation; and
- (s) fabrication and insertion of mouth guards.

(2) A registered dental assistant may perform, under the direct supervision of a practitioner, other duties in accordance with recognized advanced training modules as approved by the board.

(3) The National Scope of Practice for Dental Assisting referenced in subsection (1) is the scope of practice for dental assisting which is based on the Canadian Dental Assistants Association National Occupational Analysis and the National Dental Assisting Examining Board Domain Description as identified through the accreditation process for dental assisting by the Commission on Dental Accreditation of Canada.

Registered dental
hygienists

14. (1) A registered dental hygienist may perform all the duties in accordance with the National Scope of Practice for Dental Hygienists which includes but is not limited to

- (a) scaling and root planing above and below the gumline;
- (b) curettage as it may be indicated by periodontal assessment;
- (c) fabrication and insertion of mouth guards;
- (d) application of pit and fissure sealants;
- (e) conducting of an examination of the oral cavity and surrounding structures including taking and reviewing of a health history, periodontal assessment and recording and interpretation of clinical findings;
- (f) selective rubber cup polishing;
- (g) provision of topical application of anti-cariogenic agents, and other materials to prevent caries;

- (h) carrying out of the exposure, processing and interpretation of dental radiographs;
- (i) counselling, instruction and demonstration of maintenance for oral health;
- (j) application of desensitizing solutions and topical medications where indicated;
- (k) application of the dental hygiene Process of Care: assessing, planning, implementing and evaluating individual client and community oral health status; and
- (l) fabrication and insertion of bleaching trays.

(2) A registered dental hygienist may perform other duties in accordance with recognized advanced training modules as approved by the board.

(3) The National Scope of Practice for Dental Hygienists referenced in subsection (1) is the scope of practice of dental hygienists identified through the accreditation process of the Commission on Dental Accreditation of Canada and the certification process of the National Dental Hygiene Certification Board.

Registered dental
technicians

15. (1) A registered dental technician working with and under a prescription and related designs, impressions or casts furnished by an authorized prescriber for the case may fabricate, produce, reproduce, construct, furnish, supply, alter or repair, as prescribed by the case, a prosthetic denture, bridge, appliance or thing to be used in, upon or in connection with a human tooth, jaw or associated structure or tissue.

(2) A registered dental technician shall not use materials other than those prescribed by the authorized prescriber for the case.

(3) A registered dental technician shall comply with quality assurance standards, policies and recommendations of the board.

PART III GENERAL

Non-practising
status

16. (1) A person who holds a dental auxiliary licence issued under the Act and these regulations who does not wish to practise in the prov-

ince for a period of time may apply to the registrar for non-practising status.

(2) A person who has elected non-practising status may apply to be reinstated to practising status and, on complying with the requirements of section 10, 11 or 12 as applicable, shall be reinstated to practising status.

Other assistants

17. Notwithstanding the Act or other provisions of these regulations, a person who is not registered and licensed under the Act may provide the following services under the direct supervision of a practitioner:

- (a) assistance with laboratory procedures;
- (b) assistance with practice management procedures; and
- (c) assistance with clinical support procedures including
 - (i) suctioning of the oral cavity,
 - (ii) passing of instruments,
 - (iii) mixing of dental materials,
 - (iv) developing of exposed x-ray film, and
 - (v) pouring of study models and casts in dental stone.

Change of address

18. A person registered under these regulations shall notify the registrar of a change of address or a change or addition of employer within 10 days of the change.

Display of registration

19. (1) For a person registered under these regulations, the registration certificate shall be displayed at the location of the premises where the registrant usually provides services.

(2) In cases of more than one location the registrar shall provide duplicate registration certificates.

Advertising

20. (1) A dental auxiliary shall not advertise except in accordance with the by-laws of the board.

(2) A person shall not advertise on behalf of a dental auxiliary except in accordance with the by-laws of the board.

**PART IV
REPEAL**

Repeal

21. The *Dental Auxiliaries' Regulations, Consolidated Newfoundland and Labrador Regulation 1013/96*, are repealed.
