(a) paragraphs 3(a), (f), (g), (h), (i), (m), (p) and (s); and

(b) paragraphs 3(d), (k) and (r) where he or she has written authorization from the managing agency.

Permits

5. (1) The minister, or a person authorized by the minister, may issue a permit or other written authorization that allows certain activities to be carried on in a reserve, subject to restrictions imposed by these regulations and the Act.

(2) The activities referred to in subsection (1) may be limited by the conditions declared on the permit or in the written authorization.

(3) A permit or written authorization shall be issued in accordance with the guidelines described in the management plan for a reserve.

(4) Permits may be issued for a period to be determined by the managing agency and may be renewed, upon expiration, on the terms and conditions that the managing agency may determine.

Research

6. Scientific research within a reserve shall require a permit and those permits may be obtained from the managing agency on submission of a written request outlining the research project, and subject to the terms and conditions that the managing agency may determine.

Exception for research

7. A person engaged in scientific study which is approved by the managing agency and for which a permit has been issued may be exempted from paragraphs 3(a), (d), (f), (g), (i), (k), (m) and (s).

Educational activities

8. (1) Educational activities within a reserve shall require a permit and those permits may be obtained from the managing agency on submission of a written request outlining the activity, and subject to the terms and conditions that the managing agency may determine.

(2) Notwithstanding subsection (1), a permit is not required where the persons engaged in the educational activities are accompanied by a managing agency staff person.

Commercial & non-commercial enterprises

9. (1) A person engaged in a commercial or non-commercial enterprise for touring, guiding, outfitting, photography, videography or sound recording within a reserve shall obtain a permit for the enterprise from the managing agency and the permit shall be subject to the terms and conditions that the managing agency may determine.

(2) Application for a permit shall provide a full description of the enterprise planned.

Visitor access

10. Visitor access to a reserve, other than for the reasons described in sections 6, 8 and 9 is allowed, but may be restricted or require a permit from the managing agency in accordance with guidelines described in the management plan for the reserve, or at the discretion of the managing agency.

Exceptions
