- (v) The minimum Work Expenditure Bid will be \$10 million for the parcel offered in this Call for Bids.
- (vi) Allowable expenditures may be claimed for those permitted expenses incurred from the date of the initial announcement of the call for bids up to and including the effective date of the licence. These new credits would be in addition to those allowable expenditures available for credit during the term of the licence.
- (vii) Period I of the exploration licence shall have a term of *six (6) years* unless otherwise extended by a drilling deposit. Period II shall immediately follow Period I and consist of the balance of the original nine (9) year term.

- (x) The successful bidder will receive a refund, without interest, of the Bid Deposit when the Security Deposit is posted within 15 days. Failure to post the Security Deposit within 15 days will result in forfeiture of the Bid Deposit and disqualification of the bid.
