- | | |
|----------------------------|---------------------------------|
| 1. Short title | 5. Standards |
| 2. Prohibition | 6. Standards advisory committee |
| 3. Authorization generally | |
| 4. Expiry | |

Short title

1. These regulations may be cited as the *Administration of Drug Therapy by Inhalation or Injection Regulations*.

Prohibition

2. A pharmacist shall not directly administer drug therapy by inhalation or injection to a person unless

- (a) his or her registration includes an authorization granted under these regulations to do so;
- (b) the requirements set out in the standards established by the board under section 5 are met; and
- (c) either,
 - (i) the drug therapy does not require a prescription, or
 - (ii) where it does require a prescription, it has been prescribed by a person authorized to prescribe it.

Authorization
generally

3. The board shall add an authorization to administer drug therapy by inhalation or injection to the registration of a pharmacist where he or she

- (a) applies in the form and manner prescribed by the board;
- (b) provides proof satisfactory to the board that he or she has completed the educational and training requirements prescribed by the board;
- (c) provides proof satisfactory to the board of current training in CPR and first aid; and
- (d) pays the application fee.

Expiry

4. A pharmacist's authorization added under these regulations expires on the same date as the pharmacist's registration.

Standards

5. (1) The board shall establish standards relating to the administration of drug therapy by a pharmacist by inhalation or injection.

(2) The board shall consider the recommendations of the standards advisory committee in establishing the standards under subsection (1).

(3) Subsection (2) does not apply where the standards to be established relate to the administration of influenza immunization.

Standards advisory
committee
