3. Period I is a period of six (6) years commencing on the effective date of the Exploration Licence. The Interest Owner shall commence the drilling of a Validation Well within Period I, and diligently pursue such drilling thereafter, as a condition precedent to obtaining tenure during Period II.
4. The Interest Owner may, at its option, extend Period I for additional years to a maximum total of three (3) one-year extensions by posting a Drilling Deposit with the Board before the end of Period I or any additional year extension of Period I in the following amounts:

Any deposit balance remaining at the end of Period I, or following the termination of a well commenced and being pursued diligently but not terminated within Period I, or upon the surrender of rights, will be forfeited.

- For these Exploration Licences, rentals will be applicable only in Period II at a rate of \$5.00 per hectare in respect of the first year and increasing thereafter by \$5.00 per hectare per year, up to and including the third year.
