### URBAN AND RURAL PLANNING ACT, 2000

#### NOTICE OF REGISTRATION CITY OF CORNER BROOK MUNICIPAL PLAN AND DEVELOPMENT REGULATIONS AMENDMENTS MP16-05 & DR6-05, MP16-06 & DR16-06 and MP16-07 & DR16-07

TAKE NOTICE that the CITY OF CORNER BROOK Municipal Plan Amendments MP16-05, MP16-06, MP16-07 and Development Regulations Amendments DR16-05, DR16-06 and DR16-07, adopted on the 29<sup>th</sup> day of May, 2017, have been registered by the Minister of Municipal Affairs and Environment.

In general terms, the purpose of Municipal Plan Amendment MP16-05 and Development Regulations Amendment DR16-05 is to change the land use designation and land use zoning of land at Shamrock Crescent specifically at the rear of lots 77 and 79, from Open Space (land use designation and zoning) to Residential (land use designation) and Residential Medium Density (land use zoning). The amendments will realign the land use designation and zoning boundaries in a manner that will place the entirety of each property in the residential land use and zone, as well as enable a parcel of city owned land at the rear of lot 79 to be consolidated with lot 79 to create a larger lot.

In general terms, the purpose of Municipal Plan Amendment MP16-06 and Development Regulations Amendment DR16-06 is to change the land use designation and land use zoning of land at Park Drive. It has been determined that portions of several residential properties on Park Drive fall within the Open Space land use designation/zone and in some cases the boundary line passes through dwellings. The amendments will realign the Open Space and Residential/Residential Medium Density land use designation and zoning boundaries from civic address 29 through to 43 Park Drive in a manner that will place the entirety of each property within the residential land use and RMD zone, as well as each of the three City leased land portions to the rear of lots 37 through 41. A small area of land currently zoned as Community Service, alongside the south property boundary of the Academy Canada property, will be changed to Open Space, in order to properly align the land use/zoning boundaries with the access point to the larger Open Space zone at the rear of the residential properties at Park Drive.

In general terms, the purpose of Municipal Plan Amendment MP16-07 and Development Regulations Amendment DR16-07 is to change the land use designation and land use zoning of land Curling Street, specifically in the vicinity of civic numbers 337 to 325, and 16 Brosnan Street, from Residential land use designation and Residential Medium Density land use zoning to Residential Commercial Mix (land use and zoning), or Residential Commercial Mix (land use and zoning) to Residential land use and Residential Medium Density zoning, depending on the property. The amendments are necessary in order to realign the Residential/Residential

Medium Density and Residential Commercial Mix land use zoning and land use designation boundaries of the affected properties in a manner that will place the entirety of each of the affected properties within the appropriate and single land use zone and land use designation.

The Corner Brook Municipal Plan Amendments MP16-05, MP16-06, MP16-07 and Development Regulations Amendments DR16-05, DR16-06 and DR16-07 come into effect on the day that this notice is published in *The Newfoundland and Labrador Gazette*. Anyone who wishes to inspect a copy of Amendments MP16-05, MP16-06, MP16-07 and Development Regulations Amendments DR16-05, DR16-06 and DR16-07 may do so at City Hall, Corner Brook during normal business hours.

**2. Subsections 6(1) and (3) of the regulations are repealed.**

**3. Section 8 of the regulations is repealed and the following substituted:**

Payment out of fund

**8.** (1) A buyer or an agent or legal representative of a buyer may apply to the registrar, association or board, whichever has been directed by the minister under subsection 5(3) of the Act to administer the assurance fund, for compensation from the assurance fund where, after the coming into force of the Act,

- (a) a seller has become bankrupt and the trustee does not refund the buyer the amount due him or her under the prepaid funeral contract in bankruptcy;
- (b) a prepaid funeral contract entered into by the buyer is cancelled and the seller has not, within 6 months of the cancellation, reimbursed the buyer the amount paid by the buyer under the contract together with income accrued on the amount; or
- (c) a prepaid funeral contract entered into by the buyer has not been carried out as provided for by the contract and the buyer has, as a result, purchased other funeral goods and services.

(2) Where a person makes an application under subsection (1), the registrar, association or board, whichever has been directed by the minister under subsection 5(3) of the Act to administer the assurance fund, shall determine the amount due to the buyer or his or her agent or legal representative in accordance with the prepaid funeral contract entered into by that buyer but, where an application is made under paragraph (1)(a), the applicant shall only be reimbursed the difference between the amount due under the contract and an amount paid to the applicant by the trustee in bankruptcy.

(3) Notwithstanding subsection (2), where a person makes an application under subsection (1) because he or she believes that the funeral goods or services provided were not in accordance with those required by the prepaid funeral contract, the registrar, association or board, whichever has been directed by the minister under subsection 5(3) of the Act to administer the assurance fund, may award to the person an amount that is determined to be the difference between the goods and services supplied and the goods and services that were contracted under the contract.

(4) The minister shall determine the information, forms and documentation that are to be provided in support of an application under subsection (1) and failure to provide the required information is a reason to deny the application.

**4. Subsections 9(2) to (5) of the regulations are repealed and the following substituted:**

(2) Where a seller does not receive a response to a letter sent to a buyer under subsection (1) within the time stated in the letter, the seller, or, where the seller is a corporation, a director of the corporation, shall, in writing, immediately notify the registrar that he or she believes that the money held in trust with respect to the prepaid funeral contract to which subsection (1) applies is and will remain unclaimed and shall state the reasons for this belief.

(3) After receiving a letter from a seller under subsection (2), the registrar may instruct the seller and the trustee of the money held with respect to the prepaid funeral contract to pay that money, less an amount referred to in subsection (6), into the assurance fund and that money shall be paid as instructed.

(4) A person entitled to money paid into the assurance fund under subsection (3) may apply to the registrar requesting him or her to pay over to the person the money and income that has accrued on the money.

(5) Where the registrar is satisfied that a person who has applied under subsection (4) is entitled to be paid money together with accrued income, the registrar shall direct the payment of the money and income set out in the order from the assurance fund to the appropriate person.
