## LANDS ACT

### Notice of Intent, Section 7 Lands Act, SNL 1991 c36 as amended

NOTICE IS HEREBY given that an application has been made to the Department of Fisheries and Land Resources, Agriculture and Lands Branch, to acquire title, pursuant to section 7(2)(d) of the said Act, to that piece of Crown lands situated within 15 metres of the waters of Gull Pond, Deer Park for the purpose of wharf and boat house.

The application may intrude on the 15 metre shoreline of the above mentioned water body(s) in various locations. For a detailed map, please see the website below:

<http://www.ma.gov.nl.ca/lands/sec7notifications.html>

Please note: It may take up to 5 days from the date of application for details to appear on the website.

Any person wishing to object to the application must file the objection in writing with reasons, within 30 days from the publication of the notice on the Department of Fisheries and Land Resources website, Crown Lands, <http://www.ma.gov.nl.ca/lands/index.html>, to the Minister of Fisheries and Land Resources by mail or email to the nearest Regional Lands Office:

- Eastern Regional Lands Office, P.O. Box 8700, Howley Building, Higgins Line, St. John's, NL, A1B 4J6 Email: [easternlandsoffice@gov.nl.ca](mailto:easternlandsoffice@gov.nl.ca)
- Central Regional Lands Office, P.O. Box 2222, Gander, NL, A1V 2N9 Email: [centrallandsoffice@gov.nl.ca](mailto:centrallandsoffice@gov.nl.ca)
- Western Regional Lands Office, P.O. Box 2006, Sir Richard Squires Building, Corner Brook, NL, A2H 6J8 Email: [westernregionlands@gov.nl.ca](mailto:westernregionlands@gov.nl.ca)
- Labrador Regional Lands Office, P.O. Box 3014, Station "B", Happy Valley-Goose Bay, NL, A0P 1E0 Email: [labradorlandsoffice@gov.nl.ca](mailto:labradorlandsoffice@gov.nl.ca)

(DISCLAIMER: The Newfoundland and Labrador Gazette publishes a NOTICE OF INTENT as received from the Applicant and takes no responsibility for errors or omissions in the property being more particularly described.)

## QUIETING OF TITLES ACT

### 2019 01G 2120 IN THE SUPREME COURT OF NEWFOUNDLAND AND LABRADOR GENERAL DIVISION

Notice of Application under the Quieting of Titles Act, RSN1990 c. Q-3, as amended;

NOTICE IS HEREBY given to all parties that VERNA

HOLLETT has applied to the Supreme Court of Newfoundland and Labrador, Trial Division, at St. John's, to have title to all that piece or parcel of land situate and being on the western side of Doran's Lane, in the Town of Logy Bay-Middle Cove-Outer Cove, in the province of Newfoundland and Labrador, as more particularly described and set forth in the Schedule hereunto annexed marked "A", of which the Applicant claims to be the owner, investigated and for a Declaration that VERNA HOLLETT is the absolute owner thereof. VERNA HOLLETT acquired the Subject Property by a Deed of Conveyance dated January 23, 1990 and registered at Roll 727, Frame 151 at the Registry of Deeds for the province of Newfoundland and Labrador. The Applicant has been ordered to publish notice of the application as required by the above named Act. All persons having title adverse to the said title claimed by the Applicant shall file in the Registry of the Supreme Court of Newfoundland and Labrador at St. John's particulars of such adverse claim and serve the same together with an Affidavit verifying same on the undersigned solicitors for the Applicant on or before the 24<sup>th</sup> day of May, 2019, after which date no party having any claim shall be permitted to file the same or be heard except by leave of the Court and subject to such conditions as the Court may deem just. All such adverse claims shall be then investigated as the said Supreme Court of Newfoundland and Labrador at St. John's may direct.

DATED AT the City of St. John's, in the province of Newfoundland and Labrador, this 15<sup>th</sup> day of April, 2019.

FRENCH & ASSOCIATES  
Solicitors for the Applicant  
PER: Christopher E. Gill

South 04 degrees 42 minutes 17 seconds East, 77.285 metres  
South 22 degrees 30 minutes 24 seconds West, 16.536 metres  
South 42 degrees 41 minutes 00 seconds West, 25.680 metres  
South 05 degrees 57 minutes 49 seconds West, 56.584 metres  
South 57 degrees 38 minutes 57 seconds West, 99.401 metres  
South 66 degrees 40 minutes 58 seconds West, 88.118 metres  
South 77 degrees 35 minutes 43 seconds West, 80.036 metres  
South 38 degrees 08 minutes 29 seconds West, 40.927 metres  
South 31 degrees 48 minutes 58 Seconds West, 10.975 metres  
North 45 degrees 40 minutes 56 seconds West, 116.202 metres;

THENCE running along the northeastern limits of a Path  
North 64 degrees 58 minutes 45 seconds West, 60.542 metres  
South 87 degrees 28 minutes 26 seconds West, 13.318 metres  
North 60 degrees 38 minutes 09 seconds West, 11.490

THENCE running by Crown land application  
# 146567, Marathon Holdings Inc. North 26 degrees

49 minutes 18 seconds West, 27.999 metres  
North 32 degrees 31 minutes 40 seconds West, 67.599 metres  
North 56 degrees 15 minutes 41 seconds East, 151.386 metres  
North 68 degrees 29 minutes 56 seconds East, 26.537 metres  
North 62 degrees 34 minutes 53 seconds East, 10.118 metres  
North 54 degrees 11 minutes 29 seconds East, 37.062 metres;

THENCE running by Crown land North 52 degrees  
41 minutes 57 seconds East, 29.902 metres North 39 degrees  
43 minutes 49 seconds East, 34.191 metres North 59 degrees  
55 minutes 01 seconds East, 16.973 metres North 77 degrees  
44 minutes 03 seconds East, 33.575 metres North 65 degrees  
11 minutes 51 seconds East, 29.181 metres North 50 degrees  
57 minutes 15 seconds East, 68.002 metres North 18 degrees  
11 minutes 38 seconds East, 18.557 metres North 38 degrees  
43 minutes 29 seconds East, 66.786 metres North 50 degrees  
35 minutes 40 seconds East, 27.643 metres North 57 degrees  
56 minutes 01 seconds East, 88.336 metres, more or less, to  
the point of beginning and containing an area of 15.306 ha,  
more or less.

Which land is more particularly shown and described on the  
plan hereto annexed.

ALL bearings are referred to the meridian of 53 degrees west  
longitude. Dated: January 13, 2016.

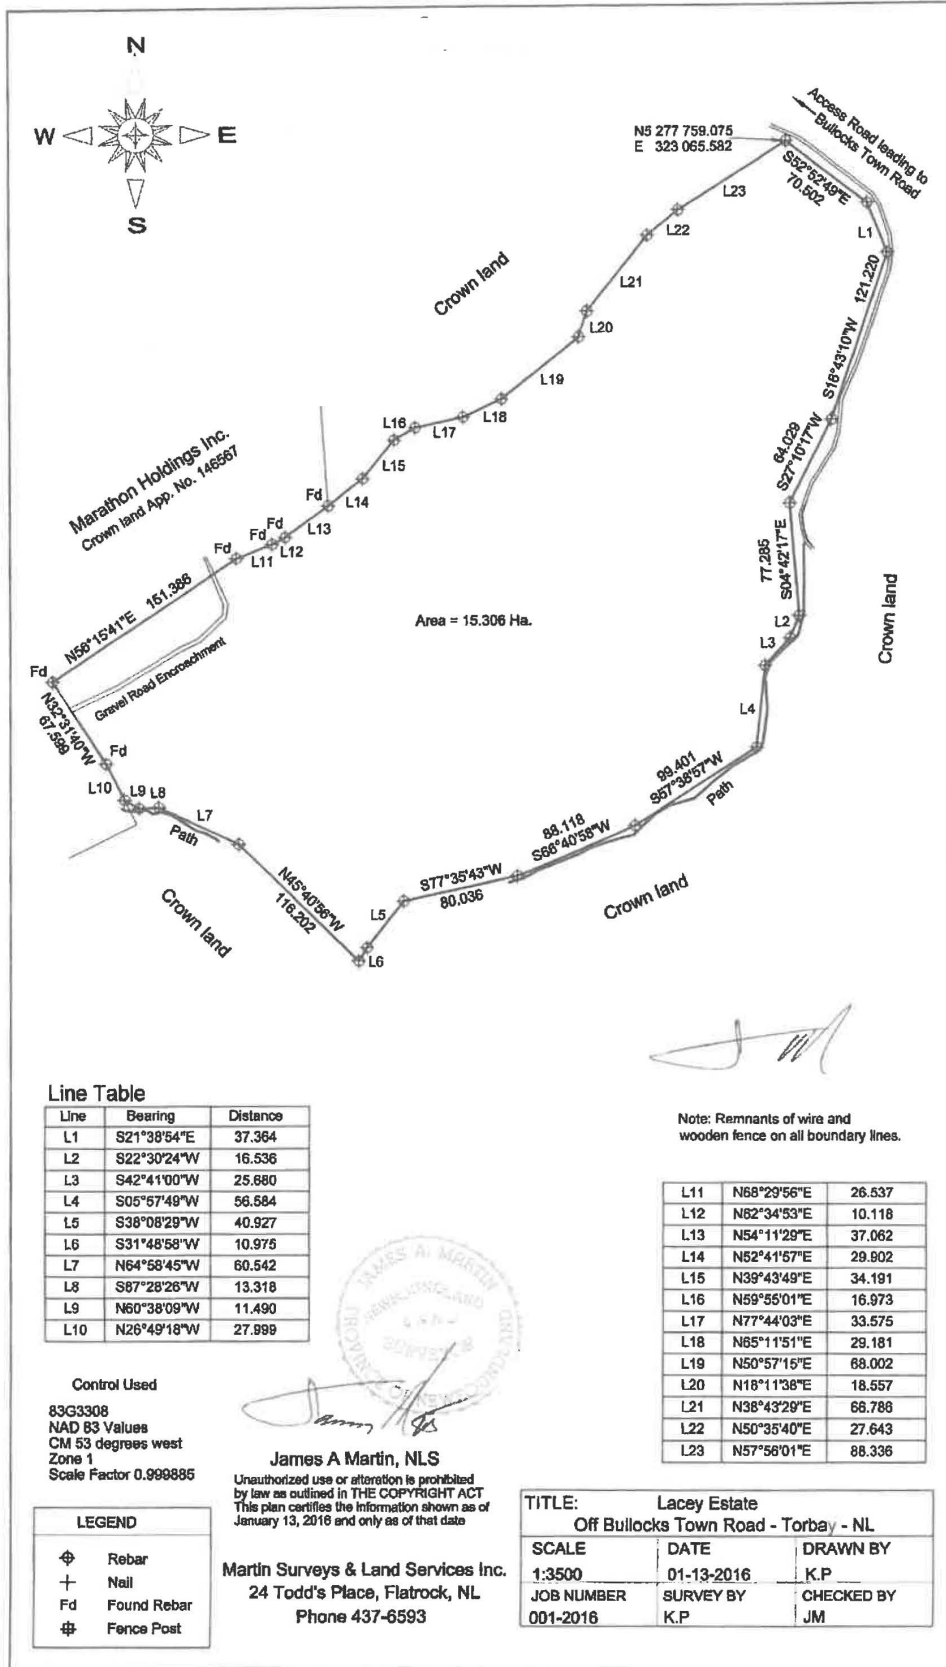

All persons having title adverse to the said title claims by  
the Owners shall file in the Registry of the Supreme Court of  
Newfoundland and Labrador, General Division particulars  
of such adverse claim and serve same, together with an  
Affidavit verifying same on the 6<sup>th</sup> day of June, 2019, after  
which date no party having a claim shall be permitted to file  
same or be heard except by leave of the Court and subject  
to such conditions as the Court may deem just. All adverse  
claims shall then be registered on such manner as the  
Supreme Court may direct.

United Kingdom, Canada and Her Other Realms and Territories  
QUEEN, Head of the Commonwealth, Defender of the Faith.*

JUDY M. FOOTE  
Lieutenant-Governor in General

ANDREW PARSONS, Q.C.  
Attorney General

TO ALL TO WHOM THESE PRESENTS SHALL COME,

GREETING;

A PROCLAMATION

WHEREAS in and by section 33 of An Act Respecting a Pension Plan for Teachers, Statutes of Newfoundland and Labrador 2018, Chapter T-4.01 (the "Act") it is provided that the Act, or a section, subsection or paragraph of it, except subsections 28(1), (2), (4) and (5), comes into force on a day or days to be proclaimed by the Lieutenant-Governor in Council;

AND WHEREAS subsections 28(1), (2), (4) and (5) are considered to have come into force on December 16, 2014;

AND WHEREAS it is deemed expedient that the remainder of the Act shall now come into force;

NOW KNOW YE, THAT WE, by and with the advice of Our Executive Council of Our Province of Newfoundland and Labrador, do by this our Proclamation declare and direct that An Act Respecting a Pension Plan for Teachers, Statutes of Newfoundland and Labrador 2018, Chapter T-4.01, shall come into force on the date of publication of this Proclamation in the *Newfoundland and Labrador Gazette*.

OF ALL WHICH OUR LOVING SUBJECTS AND ALL OTHERS whom these Presents may concern are hereby required to take notice and to govern themselves accordingly.

IN TESTIMONY WHEREOF WE have caused these Our Letters to be made Patent and the Great Seal of Newfoundland and Labrador to be hereunto affixed.

WITNESS: Our trusty and well-beloved the Honourable Judy M. Foote, Member of Our Privy Council of Canada, Chancellor of the Order of Newfoundland and Labrador, Lieutenant Governor in and for Our Province of Newfoundland and Labrador.

AT OUR GOVERNMENT HOUSE, in Our City of St. John's, this 15<sup>th</sup> day of April in the year of Our Lord two thousand and nineteen, in the sixty-eighth year of Our Reign.

BY COMMAND,

GRAHAM LETTO  
Registrar General

## NEWFOUNDLAND AND LABRADOR REGULATION 30/19

*Income and Employment Support Regulations (Amendment)*  
under the  
*Income and Employment Support Act*  
(O.C. 2019-124)

(Filed April 17, 2019)

Under the authority of section 52 of the *Income and Employment Support Act*, the Lieutenant-Governor in Council makes the following regulations.

Dated at St. John's, April 16, 2019.

Elizabeth Day  
Clerk of the Executive Council

### REGULATIONS

#### *Analysis*

1. S.8 Amdt.  
Definitions
2. Commencement

NLR 144/04  
as amended

**1. (1) Paragraph 8(a) of the *Income and Employment Support Regulations* is amended by deleting the word "or" at the end of subparagraph (xi), deleting the semi-colon at the end of subparagraph (xii) and substituting a comma, and by adding immediately after subparagraph (xii) the following:**

- (xiii) a child support payment made by a person who has an obligation under the *Family Law Act*, the *Divorce Act* (Canada) or similar legislation in another jurisdiction to

support an applicant, a recipient or a dependent of an applicant or recipient,

(xiv) a disabled contributor's child's benefit under the *Canada Pension Plan*, or

(xv) a surviving child's benefit under the *Canada Pension Plan*;

**(2) Subparagraph 8(c)(vi) of the regulations is amended by deleting the words "child or".**

Commencement

**2. These regulations shall come into force on June 1, 2019.**

## NEWFOUNDLAND AND LABRADOR REGULATION 31/19

*Management of Greenhouse Gas Regulations (Amendment)*  
under the  
*Management of Greenhouse Gas Act*  
(O.C. 2019-125)

*(Filed April 17, 2019)*

Under the authority of section 30 of the *Management of Greenhouse Gas Act*, the Lieutenant-Governor in Council makes the following regulations.

Dated at St. John's, April 17, 2019.

Elizabeth Day  
Clerk of the Executive Council

NLR 116/18

**1. (1) Section 2 of the *Management of Greenhouse Gas Regulations* is amended by renumbering it subsection 2(1) and adding immediately after paragraph (1)(a) the following:**

(a.1) "authorization" means an authorization issued by the board under paragraph 134(1)(b) of the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act*;

**(2) Subsection 2(1) of the regulations is amended by adding immediately after paragraph (1)(e) the following:**

(e.1) "drilling authorization" means an authorization which authorizes, whether exclusively or in conjunction with other activities, the conduct of exploration drilling activities;

**(3) Subsection 2(1) of the regulations is amended by adding immediately after paragraph (1)(f) the following:**

(f.1) "exploration drilling activities" means activities conducted by a mobile offshore industrial facility under the authority of a drilling authorization as classified by the board;

**(4) Subsection 2(1) of the regulations is amended by adding immediately after paragraph (1)(l) the following:**

(l.1) "mobile offshore industrial facility" means a mobile marine installation or structure that

(i) is capable of conducting offshore well drilling activities, and

(ii) has been approved by the board for well drilling activities in the offshore area under a drilling authorization;

**(5) Paragraph 2(1)(n) of the Act is repealed and the following substituted:**

- (n) "offshore industrial facility" means an industrial facility located in the offshore area but does not include a mobile offshore industrial facility;

**(6) Subsection 2(1) of the regulations is amended by adding immediately after paragraph (1)(n) the following:**

(n.1) "operator" means

- (i) in relation to an offshore industrial facility, a person who holds an authorization, and
- (ii) in relation to a mobile offshore industrial facility, a person who holds a drilling authorization;

**(7) Section 2 of the regulations is amended by adding immediately after subsection (1) the following:**

(2) For the purposes of the Act and these regulations, an industrial facility includes an offshore industrial facility and a mobile offshore industrial facility, unless the context indicates otherwise.

**2. Section 4 of the regulations is repealed and the following substituted:**

Baseline emissions  
intensity

4. (1) The baseline emissions intensity of an industrial facility, other than an offshore industrial facility or a mobile offshore industrial facility, for the year 2019 shall be determined in accordance with the following formula:

$$\text{BEI} = \frac{\text{AE}_{2016} + \text{AE}_{2017}}{\text{AP}_{2016} + \text{AP}_{2017}}$$

where

BEI = baseline emissions intensity for the industrial facility;

AE = the industrial facility's actual emissions of carbon dioxide equivalent of greenhouse gases in a year expressed in tonnes rounded up to the nearest tonne, excluding biomass emissions and any emissions generated from a source category referred to in paragraphs 5(1)(f) to (i) of the *Management of Greenhouse Gas Reporting Regulations*; and

AP = the industrial facility's actual production in a year rounded up to the nearest tonne.

(2) The baseline emissions intensity of an industrial facility, other than an offshore industrial facility or a mobile offshore industrial facility, for the year 2020 and subsequent years shall be determined in accordance with the following formula:

$$\text{BEI} = \frac{\text{AE}_{2016} + \text{AE}_{2017} + \text{AE}_{2018}}{\text{AP}_{2016} + \text{AP}_{2017} + \text{AP}_{2018}}$$

where

BEI = baseline emissions intensity for the industrial facility;

AE = the industrial facility's actual emissions of carbon dioxide equivalent of greenhouse gases in a year expressed in tonnes rounded up to the nearest tonne, excluding biomass emissions and any emissions generated from a source category referred to in paragraphs 5(1)(f) to (i) of the *Management of Greenhouse Gas Reporting Regulations*; and

AP = the industrial facility's actual production in a year rounded up to the nearest tonne.

(3) The baseline emissions intensity of an industrial facility, other than an offshore industrial facility or a mobile offshore industrial facility that commenced production after the year 2016 or was designated as an opted-in facility after the coming into force of these regulations shall be determined in accordance with the following formulas:

$$\text{BEI}_{\text{yr } 4} = \frac{\text{AE}_{\text{yr } 3}}{\text{AP}_{\text{yr } 3}}$$

$$\text{BEI}_{\text{yr } 5} = \frac{\text{AE}_{\text{yr } 3} + \text{AE}_{\text{yr } 4}}{\text{AP}_{\text{yr } 3} + \text{AP}_{\text{yr } 4}}$$

$$\text{BEI} = \frac{\text{AE}_{\text{yr } 3} + \text{AE}_{\text{yr } 4} + \text{AE}_{\text{yr } 5}}{\text{AP}_{\text{yr } 3} + \text{AP}_{\text{yr } 4} + \text{AP}_{\text{yr } 5}}$$

where

BEI<sub>yr4</sub> = baseline emissions intensity for the industrial facility for fourth year of production;

BEI<sub>yr5</sub> = baseline emissions intensity for the industrial facility for fifth year of production;

BEI = baseline emissions intensity for the industrial facility;

AE = the industrial facility's actual emissions of carbon dioxide equivalent of greenhouse gases in a year expressed in tonnes rounded up to the nearest tonne, excluding biomass emissions and any emissions generated from a source category referred to in paragraphs 5(1)(f) to (i) of the *Management of Greenhouse Gas Reporting Regulations*; and

AP = the industrial facility's actual production in a year rounded up to the nearest tonne.

(4) Notwithstanding subsections (1) to (3), where an industrial facility, other than an offshore industrial facility or a mobile offshore industrial facility, has an unexpected interruption of production that has a material impact on its production in a year that is to be used to establish the industrial facility's baseline emissions intensity, the Lieutenant-Governor in Council may

- (a) exclude that year from the calculation of the baseline emissions intensity and calculate the baseline emissions intensity on fewer years; or
- (b) adjust the AP and AE in subsections (1) to (3) on a time denominated basis in a manner that attributes the period of production in a year as if it were a full year.

(5) The baseline emissions intensity of a mobile offshore industrial facility, for the year 2019 shall be determined in accordance with the following formula:

$$BEI = \frac{AE_{2016} + AE_{2017}}{HO_{2016} + HO_{2017}}$$

where

BEI = baseline emissions intensity for the mobile offshore industrial facility;

AE = the mobile offshore industrial facility's actual emissions of carbon dioxide equivalent of greenhouse gases in a year expressed in tonnes rounded up to the nearest tonne, excluding biomass emissions, any emissions generated from a source category referred to in paragraph 5(1)(j) of the *Management of Greenhouse Gas Reporting Regulations* and any emissions generated from exploration drilling activities; and

HO = the mobile offshore industrial facility's hours of operation rounded up to the nearest full hour, excluding any hours where the mobile offshore industrial facility's operations relate solely to exploration drilling activities.

(6) The baseline emissions intensity of a mobile offshore industrial facility for the year 2020 and subsequent years shall be determined in accordance with the following formula:

$$BEI = \frac{AE_{2016} + AE_{2017} + AE_{2018}}{HO_{2016} + HO_{2017} + HO_{2018}}$$

where

BEI = baseline emissions intensity for the mobile offshore industrial facility;

AE = the mobile offshore industrial facility's actual emissions of carbon dioxide equivalent of greenhouse gases in a year expressed in tonnes rounded up to the nearest tonne, excluding biomass emissions, any emissions generated from a source category referred to in paragraph 5(1)(j) of the *Management of Greenhouse Gas Reporting Regulations* and any emissions generated from exploration drilling activities; and

HO = the mobile offshore industrial facility's hours of operation rounded up to the nearest full hour, excluding any hours where the mobile offshore industrial facility's operations relate solely to exploration drilling activities.

(7) The baseline emissions intensity of a mobile offshore industrial facility, that commenced production after the year 2016 or was designated as an opted-in facility after the coming into force of these regulations, shall be determined in accordance with the following formulas:

$$BEI_{yr2} = \frac{AE_{yr1}}{HO_{yr1}}$$

$$BEI_{yr3} = \frac{AE_{yr1} + AE_{yr2}}{HO_{yr1} + HO_{yr2}}$$

$$BEI = \frac{AE_{yr1} + AE_{yr2} + AE_{yr3}}{HO_{yr1} + HO_{yr2} + HO_{yr3}}$$

where

$BEI_{yr2}$  = baseline emissions intensity for the mobile offshore industrial facility for second year of production;

$BEI_{yr3}$  = baseline emissions intensity for the mobile offshore industrial facility for third year of production;

$BEI$  = baseline emissions intensity for the mobile offshore industrial facility;

$AE$  = the mobile offshore industrial facility's actual emissions of carbon dioxide equivalent of greenhouse gases in a year expressed in tonnes rounded up to the nearest tonne, excluding biomass emissions and any emissions generated from a source category referred to in paragraph 5(1)(j) of the *Management of Greenhouse Gas Reporting Regulations* or any emissions generated from exploration drilling activities; and

$HO$  = the mobile offshore industrial facility's hours of operation rounded up to the nearest full hour, excluding any hours where the mobile offshore industrial facility's operations relate solely to exploration drilling activities.

(8) Notwithstanding subsections (5) to (7), where a mobile offshore industrial facility has an unexpected interruption in its operations that has a material impact on its operations in a year that is

to be used to establish the mobile offshore industrial facility's baseline emissions intensity, the Lieutenant-Governor in Council may

(a) exclude that year from the calculation of the baseline emissions intensity and calculate the baseline emissions intensity on fewer years; or

(b) adjust the HO and AE in subsections (5) to (7) on a time denominated basis in a manner that attributes the period of operations in a year as if it were a full year.

(9) The operator of a mobile offshore industrial facility that has a baseline emissions intensity established under subsection (5), (6) or (7) shall notify the board where the mobile offshore industrial facility

(a) exits the offshore area;

(b) undergoes modifications or retrofitting that could impact the mobile offshore industrial facility's greenhouse gas emissions; and

(c) returns to the offshore area 12 months or more after it exited the offshore area.

(10) Where the board determines that the modifications or retrofitting of a mobile offshore industrial facility impacts the mobile offshore industrial facility's greenhouse gas emissions, the board may recommend to the minister that the Lieutenant-Governor in Council establish a new baseline emissions intensity for the mobile offshore industrial facility.

(11) The minister may recommend to the Lieutenant-Governor in Council that a new baseline emissions intensity be established for the mobile offshore industrial facility where the minister is satisfied that

(a) one or more of the criteria set out in subparagraphs 6.1(1)(c)(i) to (iii) is met; and

(b) the modifications or retrofitting of the mobile offshore industrial facility impacts its greenhouse gas emissions.

(12) Where the Lieutenant-Governor in Council is satisfied that a new baseline emissions intensity should be established for the mobile

offshore industrial facility, the Lieutenant-Governor in Council may establish a new baseline emissions intensity in accordance with subsection (7).

(13) For the purposes of subsection (7), the year in which the Lieutenant-Governor in Council determines that a new baseline emissions intensity should be established is considered to be year 2.

**3. The regulations are amended by adding immediately after section 6 the following:**

New baseline  
emissions intensity  
or baseline  
emissions level

**6.1** (1) The Lieutenant-Governor in Council may establish a new baseline emissions intensity for an industrial facility or a new baseline emissions level for an offshore industrial facility where

- (a) the industrial facility installs new machinery or equipment;
- (b) either
  - (i) the operator requests a new baseline emissions intensity or baseline emissions level; or
  - (ii) the minister recommends that a new baseline emissions intensity or baseline emissions level be established; and
- (c) the Lieutenant-Governor in Council is satisfied based on the information provided by the operator or the minister that as a result of the installation of the machinery or equipment one or more of the following criteria are met:
  - (i) there was a change in the NAICS code for the industrial facility at the 3 digit level and the reasons for the change are valid and reasonable,
  - (ii) the emissions intensity of the industrial facility differs from the baseline emissions intensity of the industrial facility by at least 25% or in the case of an offshore industrial facility, the emissions level of the offshore industrial facility differs from the baseline emissions level of the offshore industrial facility by at least 25% and the change in the emissions intensity or emissions level is permanent, or

NLR 14/17  
as amended

**1. (1) Subsection 2(1) of the *Management of Greenhouse Gas Reporting Regulations* is amended by adding immediately after paragraph (a) the following:**

industrial facility, that commenced production in 2015 or a subsequent year is set out in Schedule A.

**(2) Section 8 of the regulations is amended by adding immediately after subsection (2) the following:**

(2.1) Notwithstanding subsection (1), the greenhouse gas reduction target for an industrial facility for which a new baseline emissions intensity or baseline emissions level was established under paragraph 6.1(3)(b) is set out in Schedule A and for the purposes of this subsection the commencement year in Schedule A shall be considered to be the year in which the new baseline emissions intensity or baseline emissions level was established.

**(3) Subsection 8(4) of the regulations is repealed and the following substituted:**

(4) Notwithstanding subsections (1) to (3), an industrial facility, other than a mobile offshore industrial facility, may request the approval of the Lieutenant-Governor in Council for a greenhouse gas reduction target based on a performance benchmark rather than baseline emissions intensity.

**5. Subsection 9(6) of the regulations is repealed and the following substituted:**

(6) Notwithstanding subsection (4), an offshore industrial facility or a mobile offshore industrial facility may use greenhouse gas reduction credits to achieve 100% of its greenhouse gas reduction target.

**6. Subsection 10(2) of the regulations is repealed and the following substituted:**

(2) Where an industrial facility, other than a mobile offshore industrial facility, has a greenhouse gas reduction target based on baseline emissions intensity, the number of performance credits that the minister may issue to the industrial facility for a year shall be calculated in accordance with the following formula:

$$PC = (RT \times AP) - AE$$

where

PC = the number of performance credits, expressed in tonnes on a carbon dioxide equivalent basis rounded up to the nearest tonne;

RT = the industrial facility's greenhouse gas reduction target calculated in accordance with section 8;

AP = the industrial facility's actual production in a year rounded up to the nearest tonne; and

AE = the industrial facility's actual greenhouse gas emissions expressed in tonnes on a carbon dioxide equivalent basis rounded up to the nearest tonne, excluding biomass emissions and any emissions generated from a source category referred to in paragraphs 5(1)(f) to (i) of the *Management of Greenhouse Gas Reporting Regulations*.

(2.1) The number of performance credits that the minister may issue to a mobile offshore industrial facility for a year shall be calculated in accordance with the following formula:

$$PC = (RT \times HO) - AE$$

where

PC = the number of performance credits, expressed in tonnes on a carbon dioxide equivalent basis rounded up to the nearest tonne;

RT = the mobile offshore industrial facility's greenhouse gas reduction target calculated in accordance with section 8;

HO = the mobile offshore industrial facility's hours of operation rounded up to the nearest full hour, excluding any hours where the mobile offshore industrial facility's operation relate solely to exploration drilling activities; and

AE = the mobile offshore industrial facility's actual emissions of carbon dioxide equivalent of greenhouse gases in a year expressed in tonnes rounded up to the nearest tonne, excluding biomass emissions, any emissions generated from a source category referred to in paragraph 5(1)(j) of the

*Management of Greenhouse Gas Reporting Regulations* and any emissions generated from exploration drilling activities.

**7. The regulations are amended by adding immediately after section 12 the following:**

**PART III.1  
BEST AVAILABLE CONTROL TECHNOLOGY**

Best available  
control technology

**12.1** (1) Where a person registers an industrial facility to which these regulations may apply, other than an offshore industrial facility or a mobile offshore industrial facility, in accordance with the *Environmental Protection Act*, the person shall, on the date the industrial facility is registered, provide information regarding best available control technology to the minister.

(2) Where a person submits a project description in accordance with legislation that requires an environmental assessment in relation to an offshore industrial facility or a mobile offshore industrial facility to which these regulations may apply, the person shall, on the date the project description is submitted, provide information regarding best available control technology to the board.

(3) Where information is provided under subsection (1) or (2), the industrial facility is required to employ best available control technology in accordance with this Part in the operation of the industrial facility.

(4) An industrial facility is considered to meet the best available control technology requirements where the Lieutenant-Governor in Council is satisfied that the combination of machinery and equipment in the industrial facility

- (a) has the most effective greenhouse gas emissions control;
- (b) has proven performance and reliability in comparable industrial facilities;
- (c) is economically feasible, based on consultation with the operator; and

(d) complies with an Act or regulation relating to air pollution, occupational health and safety and fire and life safety.

(5) Notwithstanding subsection (4), where the industrial facility is an offshore industrial facility or mobile offshore industrial facility, the industrial facility is considered to meet the best available control technology requirements where the Lieutenant-Governor in Council is satisfied that the combination of machinery and equipment in the industrial facility

(a) has the most effective greenhouse gas emissions control;

(b) has proven performance and reliability in comparable industrial facilities;

(c) is economically feasible, based on consultation with the operator;

(d) complies with an Act or regulation relating to air pollution, occupational health and safety and fire and life safety; and

(e) is acceptable to the board as the best available control technology for the industrial facility.

Commencement

NLR 14/17  
as amended

**1. (1) Subsection 2(1) of the *Management of Greenhouse Gas Reporting Regulations* is amended by adding immediately after paragraph (a) the following:**

(a.1) "authorization" means an authorization issued by the board under paragraph 134(1)(b) of the *Canada-Newfoundland and Labrador Atlantic Accord Implementation Newfoundland and Labrador Act*;

**(2) Subsection 2(1) of the regulations is amended by adding immediately after paragraph (d) the following:**

(d.1) "drilling authorization" means an authorization which authorizes, whether exclusively or in conjunction with other activities, the conduct of exploration drilling activities;

**(3) Subsection 2(1) of the regulations is amended by adding immediately after paragraph (f) the following:**

(f.1) "exploration drilling activities" means activities conducted by a mobile offshore industrial facility under the authority of a drilling authorization as classified by the board;

**(4) Subsection 2(1) of the regulations is amended by adding immediately after paragraph (k) the following:**

(k.1) "mobile offshore industrial facility" means a mobile marine installation or structure that

(i) is capable of conducting offshore well drilling activities, and

(ii) has been approved by the board for well drilling activities in the offshore area under a drilling authorization;

**(5) Subsection 2(1) of the regulations is amended by adding immediately after paragraph (l) the following:**

(l.1) "offshore industrial facility" means an industrial facility located in the offshore area but does not include a mobile offshore industrial facility;

(l.2) "operator" means

(i) in relation to an offshore industrial facility, a person who holds an authorization, and

- (ii) in relation to a mobile offshore industrial facility, a person who holds a drilling authorization;

**(6) Section 2 of the regulations is amended by adding immediately after subsection (2) the following:**

(3) For the purposes of these regulations, an industrial facility includes an offshore industrial facility and a mobile offshore industrial facility, unless the context indicates otherwise.

**2. (1) Paragraph 7(4)(q) of the regulations is repealed and the following substituted:**

- (q) the annual volume of product the industrial facility produces or for a mobile offshore industrial facility, the number of hours in a year that the mobile offshore industrial facility operated in the offshore area;

**(2) Section 7 of the regulations is amended by adding immediately after subsection (4.1) the following:**

(4.2) Notwithstanding paragraphs (4)(j), (k), (l), (m) and (p), a mobile offshore industrial facility shall, in addition to the information required under those paragraphs, include the following information in its emissions report:

- (a) the total carbon dioxide equivalent generated from all source categories at the mobile offshore industrial facility in relation to operations solely related to exploration drilling activities, as quantified in accordance with section 6;
- (b) the total carbon dioxide generated from the combustion of biomass in relation to operations solely related to exploration drilling activities;
- (c) the total greenhouse gas emissions sequestered through carbon sequestration activities in relation to operations solely related to exploration drilling activities, including an explanation of how the greenhouse gas emissions were used, transferred or stored;
- (d) the quantity of each greenhouse gas set out in Schedule C that was generated from each of the source categories at the

mobile offshore industrial facility in relation to operations solely related to exploration drilling activities; and

- (e) the amount of carbon dioxide equivalent quantified for each source category in relation to operations solely related to exploration drilling activities in accordance with subsection 6(6).

**3. Subsection 8(1) of the regulations is repealed and the following substituted:**

Annual volume of  
production report

**8.** (1) An operator, other than an operator of a mobile offshore industrial facility, shall submit to the minister at the time it submits its first emissions report a report regarding the annual volume of product the industrial facility produced during the previous 4 year period.

**4. The regulations are amended by adding immediately after section 8 the following:**

Annual hours of  
operations report

**8.1** (1) An operator of a mobile offshore industrial facility shall submit to the board at the time it submits its first emissions report a report regarding the number of hours the mobile offshore industrial facility operated in the offshore area during the previous 4 year period.

(2) A report referred to in subsection (1) shall state the number of hours that the mobile offshore industrial facility's operations related solely to exploration drilling activities.

**5. Subsection 11(2) of the regulations is repealed and the following substituted:**

(2) Notwithstanding subsection (1), a verification is not required for the year in which an industrial facility, other than a mobile offshore industrial facility, permanently closes.

**6. Subsection 20.1(2) of the regulations is repealed and the following substituted:**

(2) Notwithstanding subsection (1), where an industrial facility, other than a mobile offshore industrial facility, closes permanently before the end of a reporting period, the operator is not required to submit a compliance report for that reporting period.

Commencement

*Proclamation Providing for the Holding of a General Election  
(O.C. 2019-127)*

*Filed April 17, 2019*

*ELIZABETH THE SECOND, by the Grace of God of the  
United Kingdom, Canada and Her Other Realms and Territories  
QUEEN, Head of the Commonwealth, Defender of the Faith.*

JUDY M. FOOTE  
Lieutenant-Governor in General

ANDREW PARSONS, Q.C.  
Attorney General

TO ALL TO WHOM THESE PRESENTS SHALL COME,

GREETING;

A PROCLAMATION

WHEREAS by Our Proclamation dated the 17<sup>th</sup> day of April, 2019, We did dissolve the Forty-Eighth General Assembly of Our Province of Newfoundland and Labrador;

AND WHEREAS it is Our Will and Pleasure to summon and call a General Assembly within Our said Province and for that purpose to direct the issue of Writs of Election for a General Election of Members to serve in the House of Assembly of Our said Province;

AND WHEREAS under the authority of section 57 of the Elections Act, 1991 (the "Act"), We are empowered to direct the issuance of a Writ of Election for the election of Members to the House of Assembly;

NOW KNOW YE that We do by this Our Proclamation direct that a Writ of Election for each of the Electoral Districts hereinafter mentioned be issued;

AND WE DO further direct

(1) That the last day for the nomination of candidates for the Election is Thursday, the 25<sup>th</sup> day of April, 2019, at 2:00 p.m. in all Electoral Districts;

(2) That the place in each Electoral District for the nomination of candidates for the said Election be as follows;
