# Electrical Bulletin

## Information for Electrical Contractors

**Information contained in this bulletin does not negate the responsibility of Electrical Contractors, and others, to comply with the requirements of the Canadian Electrical Code, the *Public Safety Act*, the *Electrical Regulations* and the supply authority.**

### **RE: Required Metering Arrangement for Residential Services.**

Service NL advises that as of August 1st 2012 Newfoundland Power (NP) will No longer accept services for single residences where two individual metered services are installed side by side in lieu of a single larger rated service.

Please read the following letter from NP to all contractors:

### **[Required Metering Arrangement for Residential Services](#)**

The Chief Electrical Inspector may amend, revise or delete any of the above requirements at any time in the future.
