¹ The Act is available at <http://www.assembly.nl.ca/Legislation/sr/statutes/m01-001.htm> and the Reporting Regulation is available at <http://www.assembly.nl.ca/Legislation/sr/regulations/rc170014.htm>.

² Industrial facilities that had annual greenhouse gas emissions of at least 15,000 tonnes in 2016 were required to report their emissions by June 1, 2017.

³ Includes adjustments to reported data based on revised data that was subsequently received.

⁴ Newfoundland and Labrador Hydro reported emissions on a voluntary basis and indicated the emissions level could be made public.
