Re: **Hearts Content - Southern Cove Pond PPWSA - Communications Tower Installation - Bell Mobility Inc.**

---

### **The original Permit dated JUNE 01, 2022 is amended as follows:**

the following conditions shall be added to Permit PRO12462-2022:

33. All drill rigs, pumps, generators, other motorized equipment and associated fuel tanks shall have metal trays, absorbent pads or impervious liners under them to catch and contain in excess of 110% of the aggregate volume of any fuel, lubricant and oil.
34. Drilling fluids other than water must be approved by this Department prior to their use.
35. There shall be no reinjection of silt, sludge, sediment, cuttings, drilling additives, and drilling mud back into the drill hole.
36. Water, runoff or effluent must not be discharged within 150 meters of a body of water including wetlands, nor in such a manner that it has a direct surface route back to a body of water.
37. All boreholes shall be sealed with bentonite to prevent any artesian flow.
38. Temporary and permanent hazardous material storage areas are not permitted inside the Protected Public Water Supply Area.

**All other terms and conditions of the original Permit will apply and failure to comply with the terms and conditions of this amendment and the original Permit will render this Permit null and void, place the Permit Holder and their agent(s) in violation of the *Water Resources Act* and make the Permit Holder responsible for taking any remedial measures as may be prescribed by this Department.**
