

Spring 2024 Operator Education Seminars

Attention: Water and Wastewater System Operators

Please refer to the following table for information pertaining to seminar topics, locations, dates, and times. Operators, municipal staff, municipal officials, and other interested water professionals are welcome to attend. There is no fee for municipal participants to attend these seminars; however associated travel costs, including meals, are not included.

There is a fee for non-municipal participants to attend these seminars.

Water and Wastewater System Operator course payments can now be made online through the following payment site: <https://www.gov.nl.ca/pay-online/#water-resources>
