

Wilderness and Ecological Reserve NOMINATION FORM

Section 1. Location

1. Nominated Study Area (your proposed name for the area):
2. Date Nominated:
3. Location: Please describe the general location, including proximity to recognized named features, towns, lakes, rivers, etc. If known, indicate proposed boundaries, and provide latitude and longitude or GPS coordinates. If available, attach a map of the area.

Please indicate the general location of the site on the map:

Section 2. Study Area Significance

4. Outstanding Features: Briefly describe the outstanding features of the site that make it worthy of consideration as an ecological or wilderness reserve (eg. location of species at risk or rare plants, significant bird colony, wetland or fossil site, undeveloped area typical of the region, exceptional wilderness character, etc.)

5. Site Description: If available, describe geology, soils, topography, vegetation, wildlife, etc., within the site nominated and state sources of information.

6. Existing Land Use Activities: Describe any existing land use activities you are aware of within the site (eg. cabins, forest harvesting, mining exploration, hydro development, road/trail construction, hunting, fishing, trapping, etc.).

7. Is the area under an immediate threat, for example, from development activities, human pressure, etc.?

No

Yes, please explain below.

Section 3. Additional Information

8. Principle Sources: Please list any known references or studies that provide more information about the area or some of its unique or representative features.

9. Field Work: List any people or organizations who have done field work in the area, including dates and contact information, if available.

10. Please provide any other information that WERAC should be aware of when assessing this proposal.

Section 4. Contact Information

11. Nominated by:

12. Contact Individual or Organization (if different than above):

13. Address:

Province:

Postal Code:

Contact Phone Number:

Contact Email:

You can submit your nomination to WERAC by email or mail.

To submit electronically, please click the Submit Nomination Button above and attach any additional information to the email, or email werac@gov.nl.ca.

For print nominations, please forward information to:

Att: WERAC Secretariat
Policy, Planning and Natural Areas Division
Department of Environment and Climate Change
P.O. Box 2006
Corner Brook, NL A2H 6J8

Thank you for your interest in conservation in
Newfoundland and Labrador!
