## **ENVIRONMENTAL ASSESSMENT BULLETIN**

Environment Minister Bob Mercer has announced the following events relative to Part 10 Environmental Assessment of the Environmental Protection Act.

### **UNDERTAKINGS REGISTERED:**

The proponent proposes to develop a sewage treatment plant in the Town of Stephenville on the south west coast of Newfoundland. The proposed facility will be located approximately 350 metres northeast of the Stephenville airport, adjacent to Blanche Brook. The development will consist of a sewage lift station, sewage treatment plant, chlorination chamber, de-chlorination chamber, outfall and associated sewage mains. The outfall will proceed from the treatment plant in a south east direction and will deposit treated effluent into St. Georges Bay. Access to the site will require the construction of an access road to be located off Massachusetts Drive. The undertaking was registered on May 14, 2003; public comments are due by June 18, 2003; and the Minister's decision is due June 28, 2003.
