ENVIRONMENTAL ASSESSMENT BULLETIN

Environment and Conservation Minister Clyde Jackman has announced the following event relative to Part 10 Environmental Assessment of the Environmental Protection Act.

UNDERTAKING REGISTERED:

Shallop Cove, St. George's, Quarry Extension

Proponent: Galen Gypsum Mines Limited

(Reg. 1331)

The proponent proposes to expand their existing gravel pit by 5 hectares. The undertaking is located at Shallop Cove, St. George's approximately 500 metres along the quarry access road off Route 461. The undertaking was registered May 14, 2007; public comments are due June 19, 2007; and the Minister's decision is due June 29, 2007.

St. Veronica's Salmon/Trout Hatchery

Proponent: Clear Springs Aquatics Inc.

(Reg. 1332)

The proponent plans to construct a salmon and trout hatchery consisting of a 61 metre by 18 metre building. The facility will produce approximately 500,000 salmon and 600,000 trout annually for supply to existing sea cage farming in Bay D'Espoir. The site is bounded by Tail Race Road to the east and Crown land to the west, south and north. The undertaking was registered May 17, 2007; public comments are due June 22, 2007; and the Minister's decision is due July 1, 2007.

Glovertown Marina Development

Proponent: Glovertown Yacht Club

(Reg. 1333)

The proponent plans to construct a 134-berth marina in a cove in the southwest area of Alexander Bay in Glovertown. Construction will consist of backfilling to create a 6,039 square metre laydown area for boats using the marina and for winter storage, two breakwaters (totaling approximately 175 metres) at the mouth of the cove, significant dredging, a multipurpose clubhouse, retaining wall, concrete boat launch, floating docks, storage and repair building, electrical services and repair building, and roadwork. The undertaking was registered May 17, 2007; public comments are due June 22, 2007; and the Minister's decision is due July 1, 2007.
