Environmental Assessment Bulletin

The Honourable Perry Trimper, Minister of Environment and Climate Change, has announced the following events relative to Part 10 Environmental Assessment of the *Environmental Protection Act*.

UNDERTAKINGS REGISTERED:

Long Harbour Fibreglass Service Centre (Reg. 1873)
Proponent: Eastern Composite Services Inc.

The proponent proposes to consolidate all its services for fibreglass training, rubber lining and anode repairs to one location at 542 Long Harbour Road, in Long Harbour-Mount Arlington Heights, corner of Route 101 and 202. Eastern Composites Services Inc. has been operating from three locations in the area and plans to consolidate to one existing building (2,800 m²) on a six-acre property located approximately 2.5 kilometres from the Town of Long Harbour and the Vale Plant. Part of the building will include a fibreglass shop (350 m²) and utility space (350 m²) plus an office complex (222 m²) is proposed for outside the building.

The undertaking was registered on November 29, 2016; the deadline for public comments is January 4, 2017; and the minister's decision is due by January 13, 2017.

Come By Chance Bulk Storage Tank Expansion (Reg. 1872)
Proponent: Asphalt Product Industries Inc.

The proponent has submitted a proposal to construct an additional 7,000 tonne liquid asphalt storage tank at their liquid asphalt storage terminal located in Come By Chance for the handling and storage of asphalt cement (AC). This facility currently has two AC storage tanks totaling 8,000 tonnes that provide product to road building contractors in the area. Construction is anticipated to last three months and operations would be on a seasonal-permanent basis from May through November.

The undertaking was registered on November 28, 2016; the deadline for public comments is January 4, 2017; and the minister's decision is due by January 12, 2017.
