

**DEPARTMENT OF NATURAL RESOURCES
MANAGEMENT DISTRICT 02
Five Year Operating Plan:
January 1, 2007 – December 31, 2011**

Submitted by: Department of Natural Resources

NOTICE TO READERS

Please be aware of the following corrections/additions for the District 02 Five Year Operating Plan: January, 2007 to December, 2011.

Table 6.4 Page 85 – Information for the year 2005/06 was not available at the time of printing.

Table 6.6 Page 87 – The column headed by “2005” refers to planning year 2005-2006.

Table 6.7 Page 87 – The column headed by “2005” refers to planning year 2005-2006.

Table 7.1 Page 101 – The last column should read “2006/11”.

The titles to the maps in the following Appendices - 1.0, 9.0, 10.0, 12.0 and 14.0 should refer to the planning period “January 01, 2007 to December 31, 2011” and not “2006 - 2010

TABLE OF CONTENTS
DISTRICT 02 FIVE YEAR PLAN

Table of Contents	i
List of Tables.....	iv
List of Figures	v
List of Appendices.....	vi
1.0 Introduction.....	1
2.0 The Bonavista Peninsula Management District.....	5
2.1 General Description.....	5
2.1.1 Geology.....	7
2.1.2 Soils.....	10
2.1.3 Climate.....	11
2.1.4 Land Cover Statistics.....	11
2.2 The Bonavista Peninsula Forest Ecosystem	16
2.2.1 General Description.....	16
2.2.2 Ecological Classification System.....	22
2.2.3 Ecoregions and Sub-regions.....	22
2.2.4 Ecological Protection.....	29
2.2.5 Forest Types	37
3.0 Maintenance and Enhancement of Forest Ecosystem Condition and Productivity	38
3.1 Factors Contributing to Current Forest Condition.....	38
3.2 Ecosystem Productivity, Resilience and Stability.....	39
3.2.1 Productivity.....	39
3.2.2 Resilience.....	43
3.2.3 Stability.....	43
3.3 Incidence of Disturbance and Stress.....	44
4.0 Biodiversity.....	46
4.1 Species Diversity.....	48
4.1.1 Rare/Threatened/Endangered Species.....	49
4.2 Genetic Diversity.....	50
4.3 Ecosystem Diversity.....	52
4.4 Mammal and Bird Distributions.....	53
5.0 Sustainable Forest Management: Values, Goals, Indicators.....	60
5.1 Biodiversity	61
5.2 Healthy Forests	66
5.3 Soil and Water	68

5.4	Global Impacts.....	70
5.5	Benefits to Society.....	72
5.6	Public Involvement and Commitment	82
6.0	Past Activities.....	85
6.1	Harvesting.....	85
6.2	Silviculture.....	86
6.3	Access Road Construction.....	86
6.4	Wildfire Occurrences.....	87
6.5	Insect.....	88
6.6	Education/Public Relations	88
7.0	Strategy to Achieve Sustainable Forest Management.....	88
7.1	Harvesting Strategy.....	88
7.1.1	Background	88
7.1.2	Wood Supply Analysis.....	95
7.1.3	Allocation of Wood Supply	100
7.1.4	Commercial Harvesting Issues.....	102
7.1.5	Allocation Options for Commercial Permits.....	109
7.1.6	Harvesting Methods.....	110
7.1.7	Domestic Cutting Issues.....	111
7.1.8	Domestic/Commercial Allocation of Wood Supply.....	112
7.1.9	Management of the Hardwood Allocation	113
7.2	Value Added Forest Products Strategy	115
7.2.1	Overview of Current Industry	115
7.2.2	How Much Value Can Be Added.....	117
7.2.3	Financing Programs/Agencies.....	120
7.2.4	Strategy to Expand Value Added Forest Product Manufacturing in District 2.....	120
7.3	Biodiversity Strategy	121
7.3.1	Ecosystem and Biodiversity Health Plan.....	123
7.3.1.1	Moose/Snowshoe Hare Exclosures.....	125
7.3.1.2	Moose Yarding Areas.....	127
7.3.1.3	Rare Plant Surveys.....	127
7.3.1.4	Avian Surveys.....	128
7.3.1.5	Newfoundland Marten Recovery Program.....	128
7.3.1.6	Bio-resource Inventories.....	130
7.3.1.7	Riparian Zones.....	131
7.3.1.8	Fire in the Ecosystem.....	133
7.3.1.9	Protected Areas Plan.....	134
7.3.1.10	Decommissioning of Resource Access Roads...	135
7.3.1.11	Caribou Habitat	136

73.1.12	Creel Surveys	136
7.4	Agriculture/Forestry Land-Use Strategy.....	136
7.5	Silvicultural Strategy	140
7.5.1	Silviculture Plan.....	145
7.6	Other Values.....	148
7.6.1	Protected Water Supplies.....	148
7.6.2	Recreational Trails.....	148
7.6.3	Agricultural Development.....	149
7.6.4	Cottage Development.....	150
7.6.5	Tourism.....	151
7.7	Public Relations and Education.....	152
8.0	Forest Access Road Development.....	154
9.0	Monitoring.....	155
9.1	Amendments & Revisions	156
10.0	The Consultation Process; Issues & Consensus	157
11.0	Conclusion	159

List of Appendices

Appendix 1.0	Map Delineating Tourism Values
Appendix 2.0	Results of Avian Surveys
Appendix 3.0	Provincial Blueberry Production and Value
Appendix 4.0	Glossary of Forestry Terms
Appendix 5.0	List of Organizations Contacted and Public Notices Inviting Participation
Appendix 6.0	Detailed List of Silviculture Treatments
Appendix 7.0	Detailed List of Forest Resource Road Construction: 2001-06
Appendix 8.0	Detailed Forest Fire History
Appendix 9.0	Maps Delineating Past Disturbance
Appendix 10.0	Maps Delineating Harvesting Areas, Resource Road Construction
Appendix 11.0	Environmental Protection Guidelines for Ecologically Based Forest Resource Management
Appendix 12.0	Maps Delineating Other Values
Appendix 13.0	List of Planning Team Member Attendance and Responses Received
Appendix 14.0	Map Showing Silviculture Treatment Areas for the Period 2007-11
