## THE UNDERTAKING:

### (I) NATURE OF THE UNDERTAKING:

To upgrade an existing trail as indicated on the map provided

### (ii) PURPOSE/RATIONAL NEED FOR THE UNDERTAKING:

The upgrade will make it easier and safer to access my remote cabin.

## DESCRIPTION OF THE UNDERTAKING:

### (I) GEOGRAPHIC LOCATION:

See the map attached (1:50,000 - Marystown - 1m/6)  
The trail starts 3 km driving south from Red Harbour intersection toward Marystown on route 210 called Red Harbour Hill.  
The first .5 km is the old Burin Peninsula highway. From there you travel north-northwest for 4.3 km.

### (ii) PHYSICAL FEATURES:

The trail is 4.80 km long and 4 m wide

**(iii) CONSTRUCTION:**

The trail travels over mostly rocky terrane with two 1 metre streams that have been bridged. The remainder is grassed wetlands with good solid bottom. The trail will be maintained and kept in good condition. All work will be done manually in an ongoing basis as the need exists.

**(iv) OPERATION:**

The trail will provide a necessary route to my remote cabin.

**(v) OCCUPANTS:**

The trail will be used by the above mentioned proponent.

**(vi) PROJECT-RELATED DOCUMENTS:**

Application for the trail (licence to occupy) E-129522

**APPROVAL OF THE UNDERTAKING:**

The proponent will require title to the section of trail indicated on the map provided.

**SCHEDULE:**

All work necessary will commence when given the approval and should take just a few weeks to do the upgrades.

**FUNDING:**

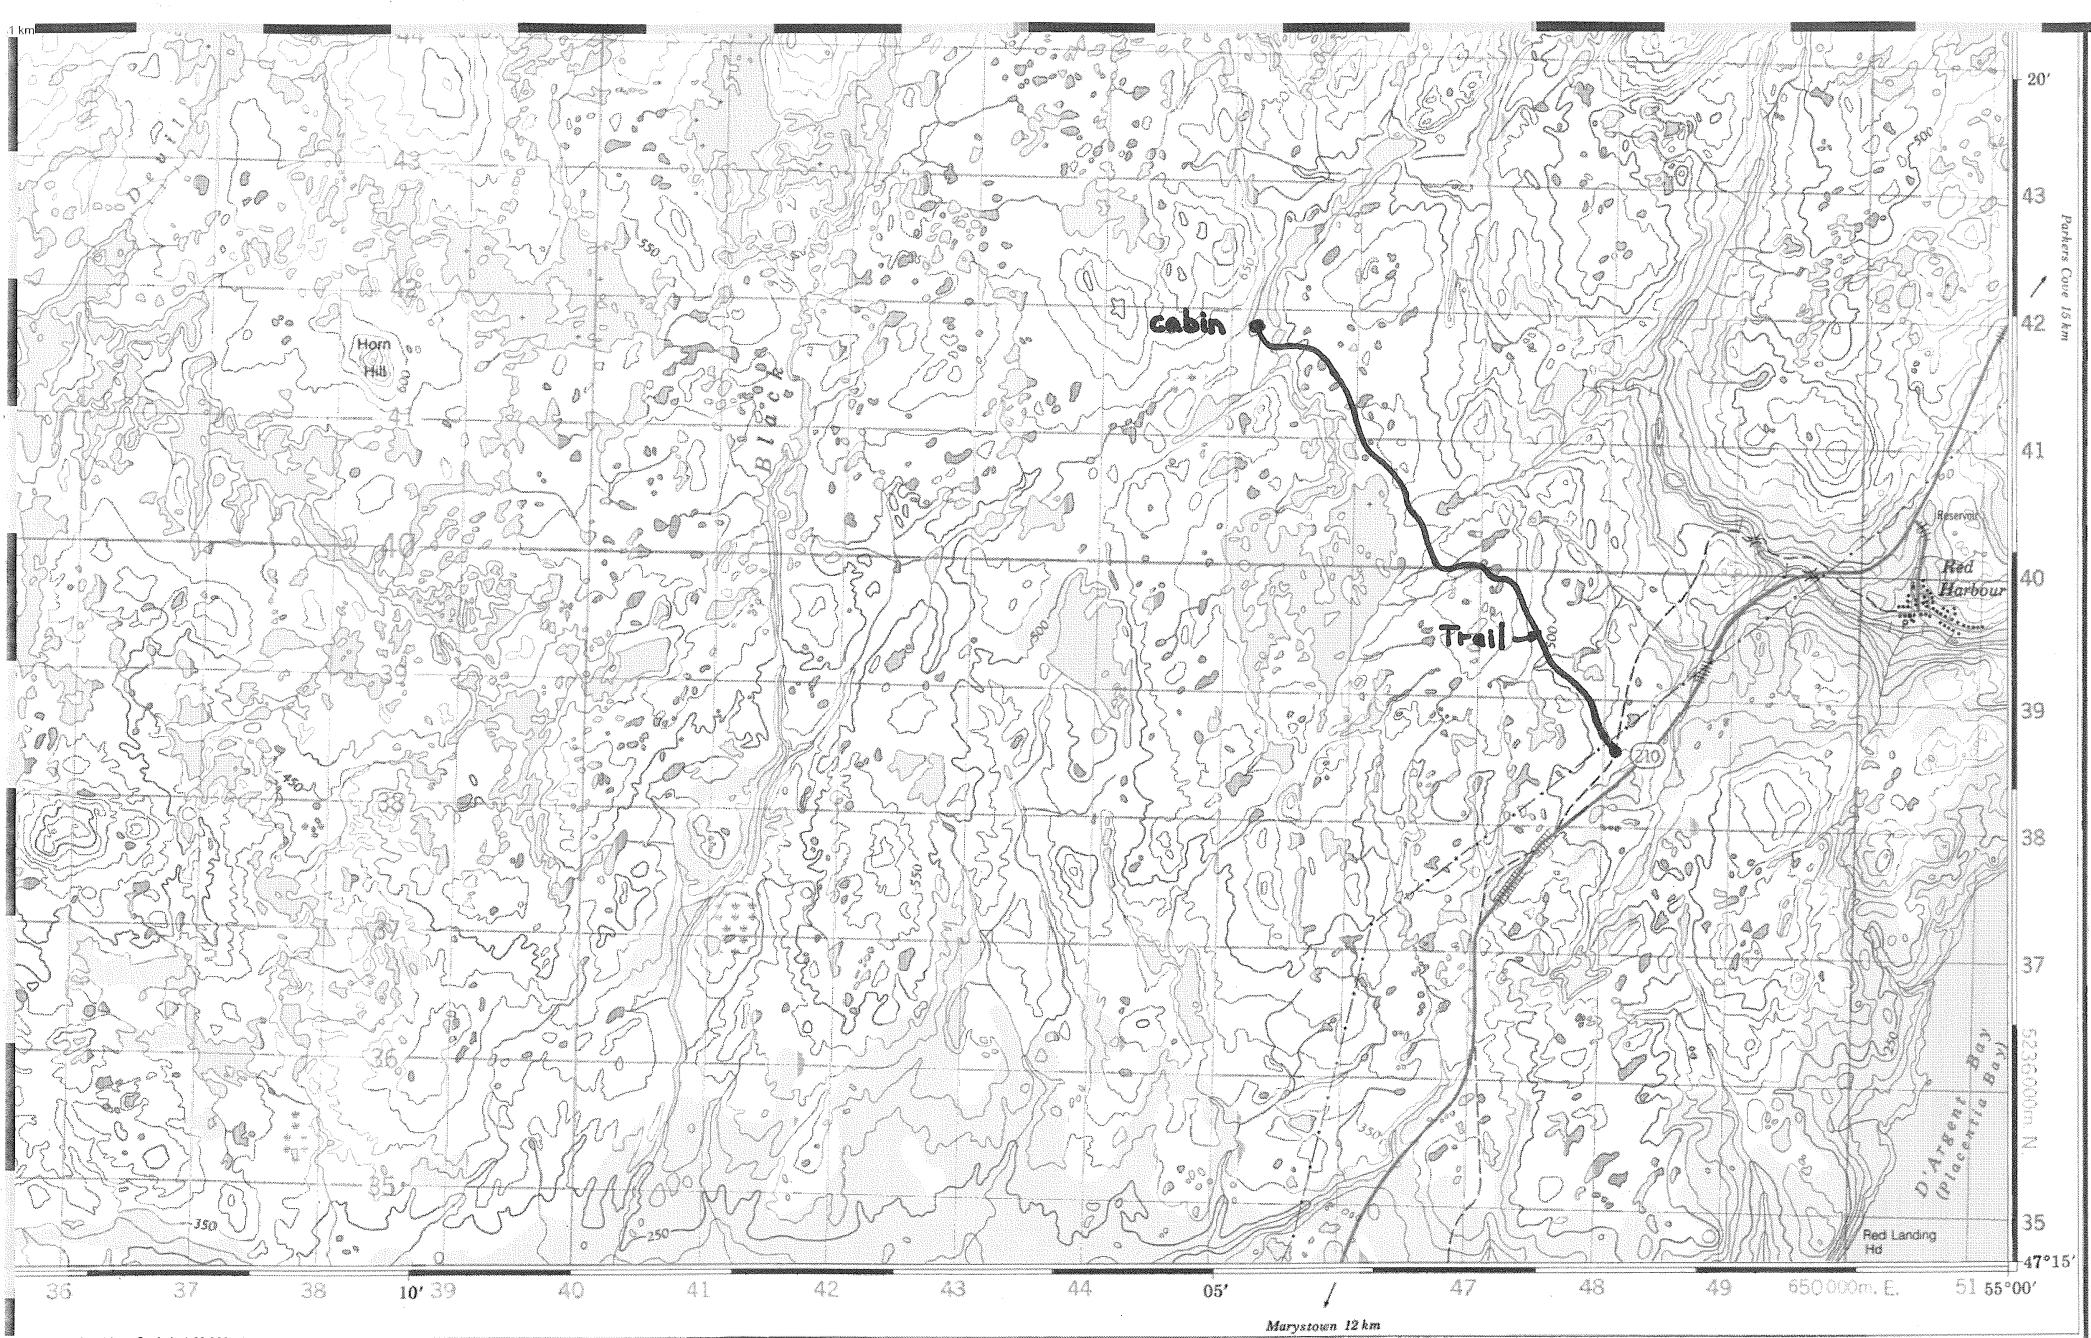

The cost of any construction will be paid by the proponent.
