Draft Highlights of a Public Meeting held at the Wabush Hotel on 22 January, 2009, at 20:00 Hours.

Participants:

Dean Journeaux, Chief Operating Officer, New Millennium Capital Corp.;
Paul F. Wilkinson, Environmental and Social Affairs Coordinator, New Millennium Capital Corp.;
Kurt Costigan, journalist, 53 North;
Peter Madden, Chairman, Environmental Assessment Committee, Department of Environment and Conservation, Government of Newfoundland and Labrador;
Todd O'Brien, CBC Radio, St. John's;
Rod Peddle, Citizen, Labrador City.

With the assistance of the attached PowerPoint presentation copies of which were distributed to the participants, DJ and PFW presented an overview of the DSOP.

The following questions were asked after the presentation:

- will the profits from the DSOP be invested in the LabMag Iron Ore Project? DJ replied that such might be the case;
- when might construction of the LIOP start? DJ replied that the earliest possible date would be 2011, in which case production might begin by 2013.

The Meeting ended at 21:00 hours.

Paul F. Wilkinson

Note : PowerPoint presentation included in Appendix 15.
