Attn: **Mr. Brent Keeping**
Environmental Assessment Division

Ref: **Harbour Breton Wharf and Access Road EA**

Dear Sirs:

Further to our submission of registration documents dated March 2, 2010 please be advised that the intention is to run a single phase power line within the road easement from the beginning of the new access road to the wharf site. This power line will connect to an existing grid near the beginning of the new access road and will be owned and maintained by Newfoundland Hydro.

Yours very truly,

A handwritten signature in black ink, appearing to read 'B.J. Thomson', is written over a horizontal line.
