Oct. 4th 2010

Dear Mr Carter,

Please find enclosed an application for an enviroment accesement undertaking to be registered with your department. The proponent proposed to construct an access road to give me access to my cottage on Gambo Pond, Bonavista Bay. This road will be 560 meters long connecting to the already constructed road on Gambo Pond. This will be a perminent road. Construction will commence in the spring of 2011.

Thank You.
