Dear Mr. Murphy:

RE: Foxtrap Gravel Quarry

Your proposal has been reviewed by an interdepartmental screening committee and an opportunity to comment has been provided to the public as required by the Newfoundland and Labrador *Environmental Protection Act*, SNL 2002, cE-14.2. Upon consideration of the comments received, please be advised that this undertaking is released from further environmental assessment, subject to the following conditions:

- The proponent must submit a site drainage and silt control plan to the Water Resources Management Division of the Department of Environment and Conservation, for approval under the *Water Resources Act* prior to starting operations at the quarry;
- No quarrying activities are permitted below the groundwater table;
- Vehicles used in the operation of the quarry (trucks, excavators etc.), must access the site via the TCH and must not use the Foxtrap Access Road.

Although the undertaking, as proposed, is released from further environmental assessment, it is still subject to other legislative requirements. A summary of the comments received from government agencies during the review is attached to provide an indication of likely applicable permits, approvals and legislative requirements. You may also refer to the BizPaL website at www.bizpal.ca. BizPaL is an online tool that generates a list of permits, licences and authorizations that may be required when starting or expanding a business.

You are also encouraged to contact Canada Business Newfoundland and Labrador (CBNL) for any additional information you may need in dealing with various levels of government. CBNL serves as a first point of access to federal and provincial government services, programs and regulatory requirements for business. CBNL can be reached by telephone at 1-888-576-4444 or online at www.canadabusiness.gc.ca. Please note that you must comply

with all relevant legislation and obtain all necessary permits and approvals. You are required to inform this Department of any proposed significant changes to the undertaking.

If you have any questions concerning these matters, please contact Mr. Bas Cleary, Director, Environmental Assessment Division at (709) 729-0673 or via email clearyb@gov.nl.ca.

Sincerely,

PERRY TRIMPER, MHA
District of Lake Melville
Minister
