The Undertaking:

- (1) Nature of undertaking: Construction of an ATV trail.
- (2) Purpose: To construct an ATV trail to access two cabins located in Five Mile Pond area.

Description of the undertaking:

- (1) Geographical location: Trail to start from: .8 km south of North Harbour intersection on Route 210, Burin Peninsula Highway and due north to approximately 1.1 km to cabin owned by Calvin Eddy NO: 140789 then due north approximately 1.2 km to cabin owned by Henry Fiander NO: 133329. (Maps attached.)
- (2) Physical features: The proposed ATV trail will measure approximately 2.2 km and will run along a foothill on hard ground away from wetland and bog as much as possible. The trail will not cross any rivers or streams. The trail will use existing winter route where possible.

(3)Construction: The proposed trail will be constructed by clearing low brush and codroying minor wet and boggy areas. No heavy equipment will be used and any brush cut will be used on the trail. All work on the proposed trail will be done using hand tools such as chain saw and axe.

(4)Operation: The construction should take about three weeks but may be stopped during the winter and commence when frost is gone to allow proper activity in soft areas. Maintenance of the trail will be ongoing by the proponent on a long term basis.

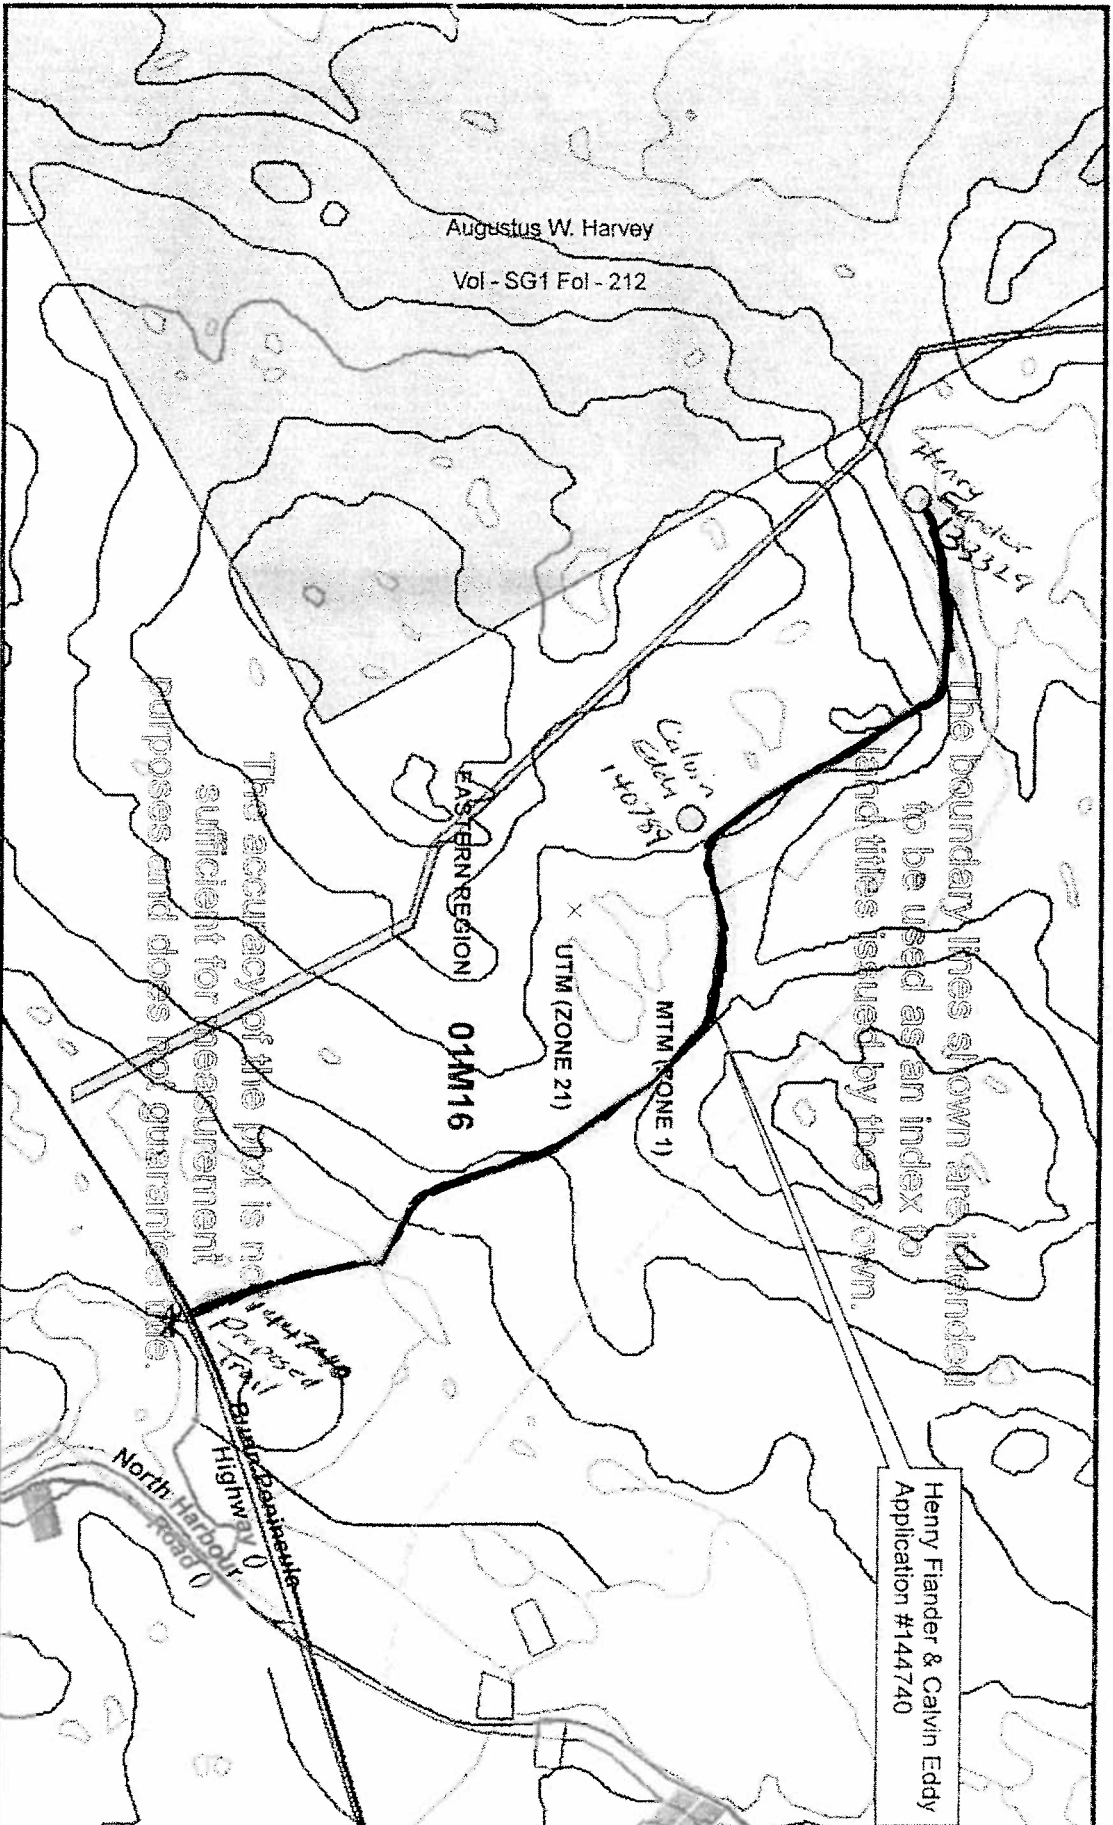

(5)Occupations: All construction and maintenance work will be completed by the proponent(s).
