Dear Mr. Baker:

**Re: Logy Bay Road NORM Temporary Storage Facility**

Enclosed are guidelines for the preparation of an environmental preview report (EPR) for the Logy Bay Road NORM Temporary Storage Facility project. The guidelines were developed in consultation with a government appointed environmental assessment committee and reflect the requirements of the province.

You may now proceed with preparation of the EPR. The EPR must be submitted for my approval prior to the onset of any project activities.

If you have any questions regarding preparation of the EPR, please contact Ms. Joanne Sweeney, chair of the project environmental assessment committee, at (709)-729-2822, or by email at [joannesweeney@gov.nl.ca](mailto:joannesweeney@gov.nl.ca) .

Sincerely,
