Dear Mr. Penney:

Re: Argentia Access Road Industrial Composting Facility

Enclosed are the guidelines for the preparation of the environmental impact statement (EIS) for the Argentia Access Road Industrial Composting Project. The guidelines were developed in consultation with a government-appointed environmental assessment committee (EAC) and reflect comments received during public review of the project.

You may proceed with preparation of the EIS, which must be submitted for my approval prior to the onset of any project activities.

If you have any questions concerning these matters, please contact Dr. Susan Squires, Director of Environmental Assessment Division, at (709) 729-0673 or email susansquires@gov.nl.ca.

Sincerely,

ANDREW PARSONS, QC
