Dear Mr. Kearsey:

RE: Commercial Spray Painting Booth in Donovan's Industrial Park

Your proposal has been reviewed by an interdepartmental screening committee and an opportunity to comment has been provided to the public as required by the Newfoundland and Labrador *Environmental Protection Act*, SNL 2002, cE-14.2. Upon consideration of the comments received, please be advised that this undertaking is released from further environmental assessment.

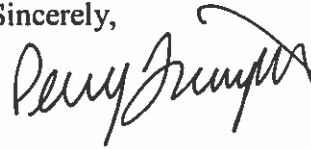

Although the undertaking, as proposed, is released from further environmental assessment, it is still subject to other legislative requirements. A summary of the comments received from government agencies during the review is attached to provide an indication of likely applicable permits, approvals and legislative requirements. You may also refer to the BizPaL website at www.bizpal.ca. BizPaL is an online tool that generates a list of permits, licences and authorizations that may be required when starting or expanding a business.

You are also encouraged to contact Canada Business Newfoundland and Labrador (CBNL) for any additional information you may need in dealing with various levels of government. CBNL serves as a first point of access to federal and provincial government services, programs and regulatory requirements for business. CBNL can be reached by telephone at 1-888-576-4444 or online at www.canadabusiness.gc.ca. Please note that you must comply with all relevant legislation and obtain all necessary permits and approvals. You are required to inform this Department of any proposed significant changes to the undertaking.

Please note that in order to ensure legislative requirements are met, sandblast grit will require periodic sampling prior to disposal. Results from this sampling will require analysis and approval from the Waste Management Section of the Pollution Prevention Division of the Department of Environment and Conservation. For further information on these sampling requirements for potential hazardous constituents in used sand, please contact Ms. Joan Hann at (709) 729-1771 or email joanhann@gov.nl.ca

If you have any questions concerning these matters, please contact Mr. Bas Cleary, Director, Environmental Assessment Division at (709) 729-0673 or via email at clearyb@gov.nl.ca.

Sincerely,

A handwritten signature in black ink, appearing to read "Perry Trimper". The signature is written in a cursive style with a large, sweeping initial "P".
