Dear Ms. Keats:

**RE: Come By Chance Bulk Storage Tank Expansion**

Your proposal has been reviewed by an interdepartmental screening committee and an opportunity to comment has been provided to the public as required by the Newfoundland and Labrador *Environmental Protection Act*, SNL 2002. Upon consideration of the comments received, please be advised that this undertaking is released from further environmental assessment.

Although the undertaking, as proposed, is released from further environmental assessment, it is still subject to other legislative requirements. A summary of the comments received from government agencies during the review is attached to provide an indication of likely applicable permits, approvals and legislative requirements. You may also refer to the BizPaL website at [www.bizpal.ca](http://www.bizpal.ca). BizPaL is an online tool that generates a list of permits, licences and authorizations that may be required when starting or expanding a business.

Please note that an amendment to the current Certificate of Approval for operations at this facility will be required. Please contact the Pollution Prevention Division of the Department of Environment and Climate Change at 709-729-1811 for further information.

Please note as well that this proposal is subject to development approval and relevant permits from the Town of Come By Chance and, as outlined in the Town's Municipal Plan and Development Regulations, is subject to a notification process to consider public input.

You are also encouraged to contact Canada Business Newfoundland and Labrador (CBNL) for any additional information you may need in dealing with various levels of government. CBNL serves as a first point of access to federal and provincial government services, programs and regulatory requirements for business. CBNL can be reached by telephone at 1-888-576-4444 or online at [www.canadabusiness.gc.ca](http://www.canadabusiness.gc.ca). Please note that you must comply with all relevant legislation and obtain all necessary permits and approvals. You are required to inform this Department of any proposed significant changes to the undertaking.

If you have any questions concerning these matters, please contact Mr. Bas Cleary, Director, Environmental Assessment Division at (709) 729-0673 or via email at [clearyb@gov.nl.ca](mailto:clearyb@gov.nl.ca).

Sincerely,

**PERRY TRIMPER, MHA**  
District of Lake Melville  
Minister
