Dear Dr. Smithson:

RE: St. Anthony Microbrewery – Registration 1978

Your proposal has been reviewed by an interdepartmental screening committee and an opportunity to comment has been provided to the public as required by Part X of the Newfoundland and Labrador *Environmental Protection Act*, SNL 2002, cE-14.2. Please be advised that this undertaking is **released** from further environmental assessment.

The Government Service Centre of the Department of Service NL requires that you submit electrical plans for review and approval. For further information, please contact the local Government Service Centre at (709) 454-8833. In addition, building renovations will require the proper removal and disposal of wastes. Please contact the Pollution Prevention Division at (709) 729-1771 for further details.

Although the undertaking, as proposed, is released from further environmental assessment, it is still subject to other legislative requirements. A summary of the comments received from government agencies during the review is attached to provide an indication of likely applicable permits, approvals and legislative requirements. Please note that you must comply with all relevant legislation and obtain all necessary permits and approvals. You are required to inform this Department of any proposed significant changes to the undertaking.

If you have any questions, please contact Dr. Susan Squires, Director of Environmental Assessment Division, at (709) 729-0673 or susansquires@gov.nl.ca.

Sincerely,

ANDREW PARSONS, QC
Minister of Municipal Affairs and Environment
