***Re: Textbooks Required for Pesticide Applicator Exam***

You have requested study material for Pesticide Application Certification in the **Aerial** category. As per your request I have enclosed a list of study material that will assist you with Pesticide Applicator Certification and contact information to obtain these items. Some info may be included as noted, others must be ordered separately.

Once you have received the study material and are ready to write the exam(s), please complete the Request for Exam Appointment Form (enclosed) and return to this office with the \$70 deposit. If you miss your scheduled exam appointment you must remit the \$20 deposit again to arrange a new time. Exam appointments may be re-scheduled if notice is given 48 hours prior to the appointment.

The basic fee for a license with 1 category is \$70.00. Additional categories are added to the license for \$20 per category.

**In St. John's the exam is written at the West Block of the Confederation Building, 4<sup>th</sup> Floor Department of Environment & Conservation. Please bring a photo ID on the day you write your exam. Several locations outside the St. John's area are also available to write exams. This is an open book exam!**

Please contact this office if you need to re-schedule exam appointments in order to avoid loss of deposit. If you have any questions once you receive the study material, please contact me at 709-729-6054.

Sincerely,

Susanne Tilley  
Pesticide Application Specialist
