Re: Textbooks Required for Pesticide Applicator Exam

You have requested study material for Pesticide Application Certification in the **Industrial Vegetation** category. As per your request I have enclosed a list of study material that will assist you with Pesticide Applicator Certification and contact information to obtain these items. Once you have received the study material and you are ready to write the exam(s) please complete the Exam Request Form and return to this office with a \$70 deposit. This is a fee for 1 exam plus your licence. If additional categories are requested an additional fee of \$20 per category will be required at least 24 hours in advance of writing your exam(s). Once the form and fees are received you will be contacted and an appointment time and place arranged.

In St. John's, the exam is written at the West Block of the Confederation Building, 4th Floor Department of Environment. Please bring a photo ID on the day you write your exam.

If you miss your scheduled exam appointment you must remit the \$20 deposit again to arrange a new time. Please contact this office at least 48 hours in advance if you need to re-schedule your exam appointment to avoid loss of deposit. If you have any questions once you receive the study material, please contact me at 709-729-6054.

Sincerely,

Susanne Tilley
