Dear Mr. Fitzpatrick:

**Re: Environmental Protection Plan  
Lower Cove Quarry Extension**

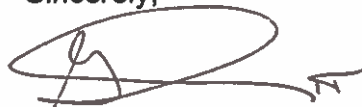

Your proposal has been reviewed and an opportunity to comment has been provided to various provincial government and federal government agencies.

Upon consideration of the comments received, please be advised that the Environmental Protection Plan (EPP) has been found to be satisfactory.

Please be aware that you must abide by all commitments made in the EPP and that any significant changes will be subject to additional review and approval. Although final, the EPP is considered to be a living document that can be updated as required, should environmental conditions or circumstances change.

If you have any questions concerning this matter, please contact Ms. Joanne Sweeney, Director (A), at (709)729-0673 or [joannesweeney@gov.nl.ca](mailto:joannesweeney@gov.nl.ca).
