Dear Kimberly Childs:

**RE: Stakeholder Engagement Report CBPP Zone 3 Five-Year Forestry
Operating Plan (2022-2026)**

On October 22, 2021, your proposal for the above project was released from environmental assessment subject to conditions. One of those conditions requires Corner Brook Pulp and Paper Limited to engage with stakeholders who submitted concerns about harvesting and access road development in the Southwest Gander cutblock K-06-07 during the environmental assessment consultation period, and to submit a Stakeholder Engagement Report for my approval prior to commencing forestry activities in that cutblock. Please be advised that the Stakeholder Engagement Report submitted by Corner Brook Pulp and Paper Limited on May 19, 2022, is approved.

If you have any questions, please contact Joanne Sweeney, Director, Environmental Assessment Division, at (709) 729-0673 or joannesweeney@gov.nl.ca.

Sincerely,
