Dear Sheldon Laing:

RE: Water Resources Management Plan for the Huguette Lake Quarry (the Project)

On November 20, 2020, the Huguette Lake Quarry (the Project) was released from environmental assessment, subject to conditions. One of the conditions of release required Allard Distributing Ltd. to submit a brief Water Resources Management Plan (WRMP) prior to commencing any work related to the Project.

On September 6, 2023, Allard Distributing Ltd. submitted a WRMP to the Water Resources Management Division of my Department for review. As a result of the review, I am advising you that this plan is acceptable.

You must abide by the commitments made in the WRMP and in all environmental assessment submissions. Any significant changes to the WRMP or to the Project must be submitted to my department to be reviewed for regulatory requirements, including environmental assessment.

If you have any questions about the environmental assessment process, please contact Joanne Sweeney, Director of the Environmental Assessment Division, at (709) 729-0673 or email joannesweeney@gov.nl.ca

Sincerely,

HON. BERNARD DAVIS, MHA
