Dear Fred Penney:

**RE: Water Resources Management Plan for the Badger Chute Quarry (the Project)**

---

On February 2, 2024, the Project was released from environmental assessment, subject to conditions. One of the conditions of release required Penney Paving Ltd. to submit a Water Resources Management Plan (WRMP) prior to commencing any work related to the Project.

On March 5, 2024, Penney Paving Ltd. submitted a WRMP to the Water Resources Management Division of this department. As a result of the review, I am advising you that this plan is approved.

You must abide by the commitments made in the WRMP and in all environmental assessment submissions. Any significant change to the WRMP or to the Project must be submitted to this department prior to construction to be reviewed for regulatory requirements, including environmental assessment.

If you have any questions concerning these matters, please contact Joanne Sweeney, Director of the Environmental Assessment Division, at (709) 729-0673 or via e-mail at [joannesweeney@gov.nl.ca](mailto:joannesweeney@gov.nl.ca).

Sincerely,

**HON. BERNARD DAVIS, MHA**
