

## Freight Transportation Fuel Efficiency Program (FTFEP) List of Eligible Fuel Saving Devices

- To be eligible for a rebate under the FTFEP, the fuel saving device(s) must appear on the list below. Rebates will be provided in accordance with the FTFEP Program Guidelines ([https://www.exec.gov.nl.ca/exec/occ/low\\_carbon\\_economy\\_programs/freighttransportation.html](https://www.exec.gov.nl.ca/exec/occ/low_carbon_economy_programs/freighttransportation.html)).
- It is the responsibility of the applicant to select the manufacturer, model and type of equipment to be installed. The Department does not endorse any particular manufacturer or model.
