Re: **Whitbourne - Hodges River PPWSA - Linear Development - Labrador Island Link Corporation**

The original Permit dated SEPTEMBER 02, 2014 is amended as follows:

Work within the buffer zones as described in notification letter dated February 28, 2017 involving anchor installation and associated equipment and construction activities. Armor stone or rip-rap must be placed along embankments of any disturbed areas where there is a risk of erosion.

All other terms and conditions of the original Permit will apply and failure to comply with the terms and conditions of this amendment and the original Permit will render this Permit null and void, place the Permit Holder and their agent(s) in violation of the *Water Resources Act* and make the Permit Holder responsible for taking any remedial measures as may be prescribed by this Department.
